

Summary – absolute difference

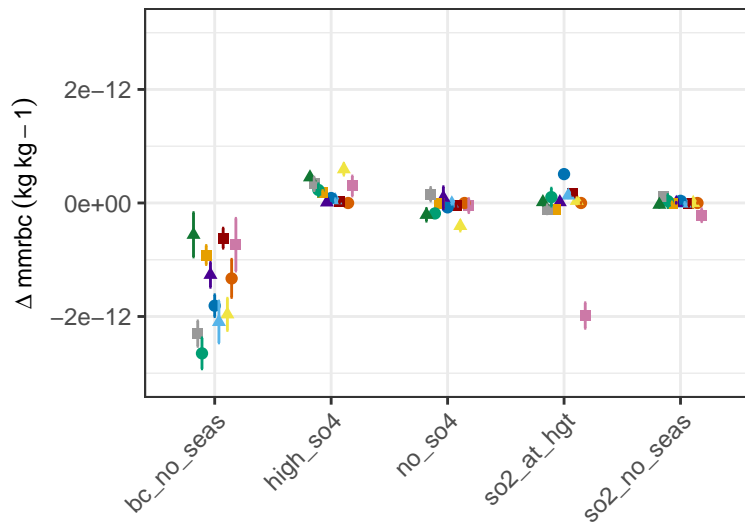

surface flux of BC – global

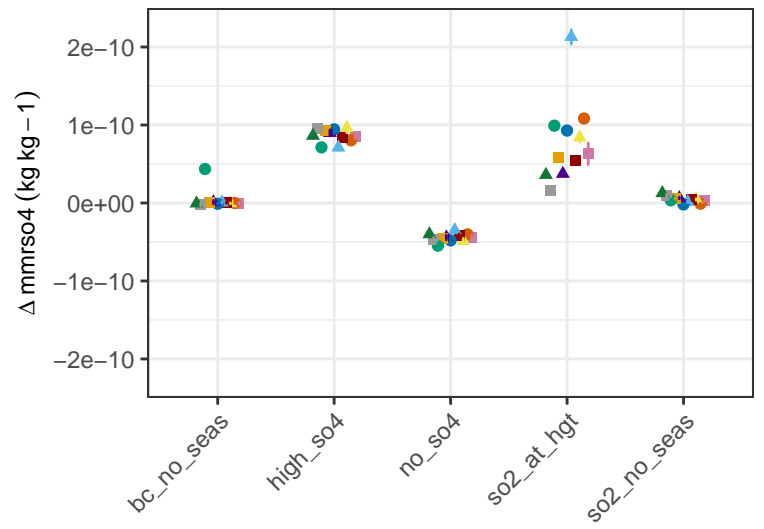

surface flux of SO₂ – global

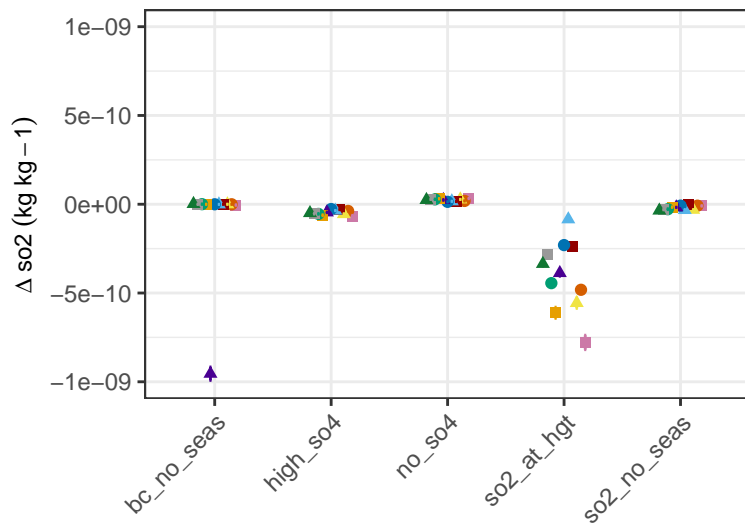

surface concentration of BC – global

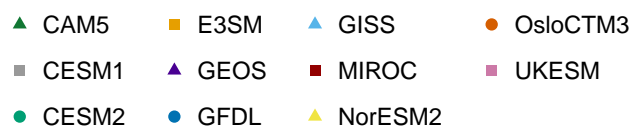

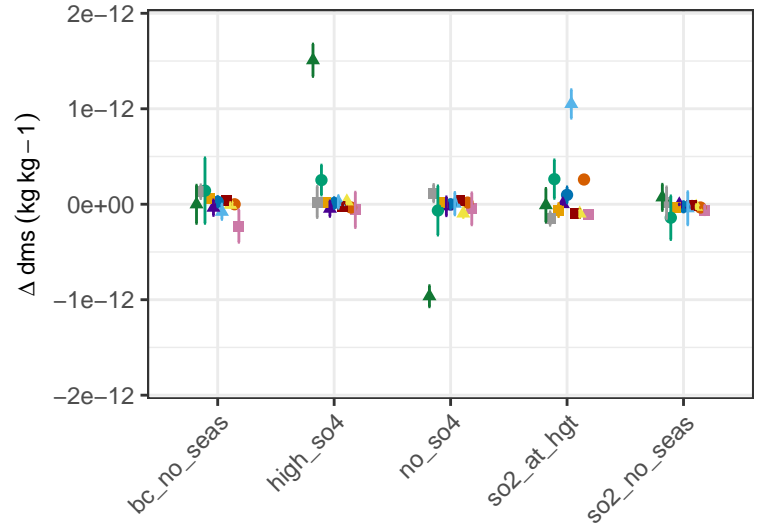

surface concentration of SO₄ – global

surface concentration of SO₂ – global

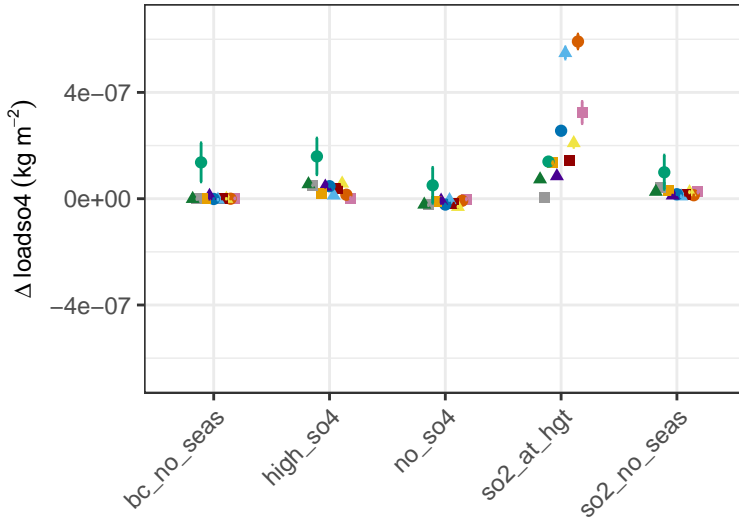

surface concentration of DMS – global

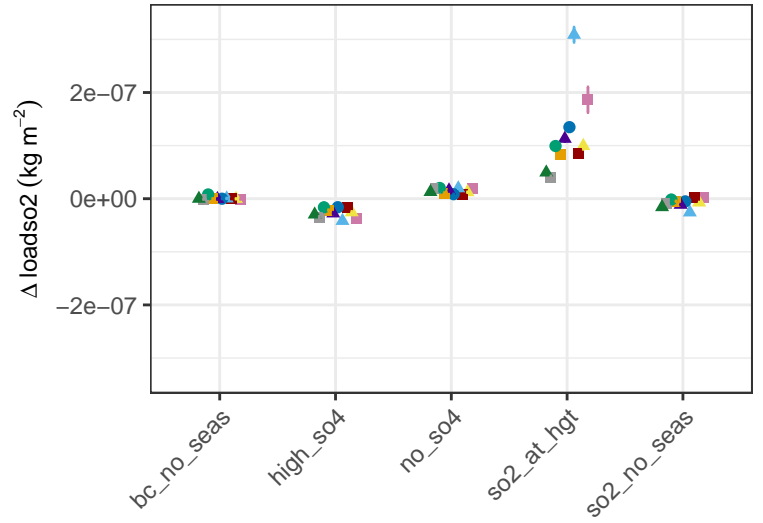

Summary – absolute difference

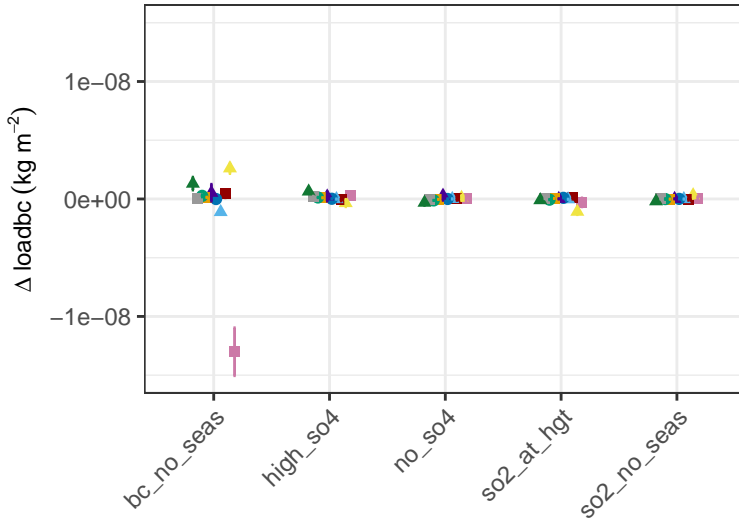

column mass burden of SO₄ – global

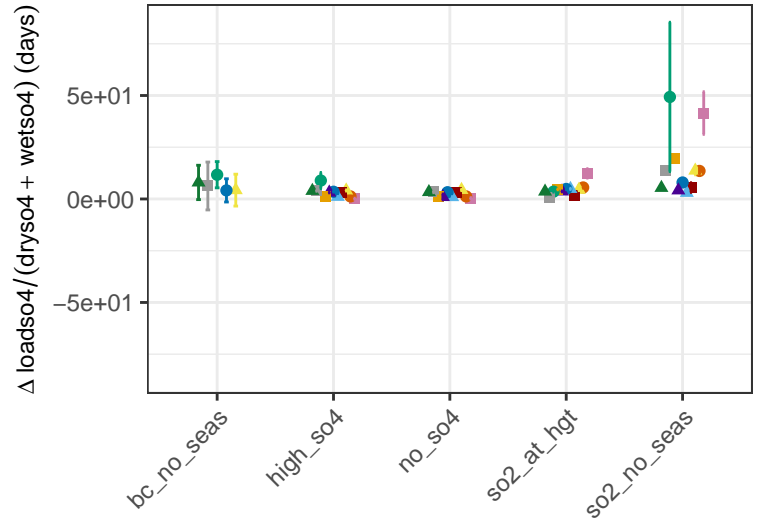

column mass burden of SO₂ – global

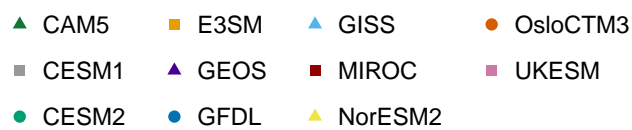

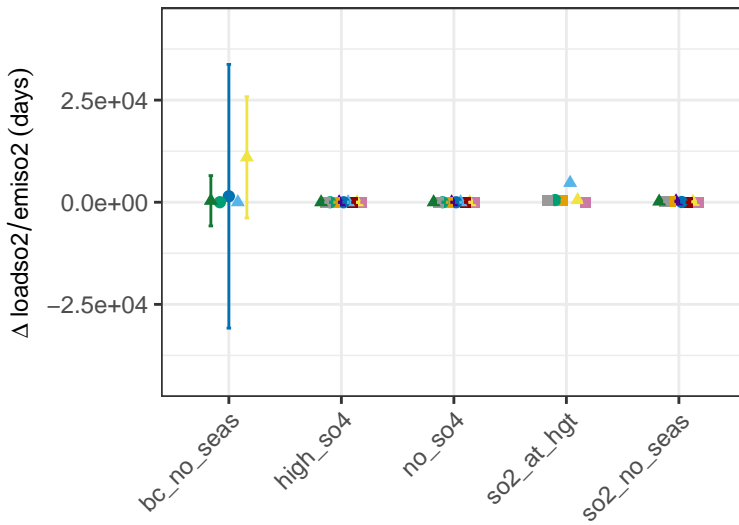

column mass burden of BC – global

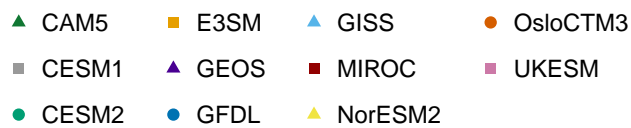

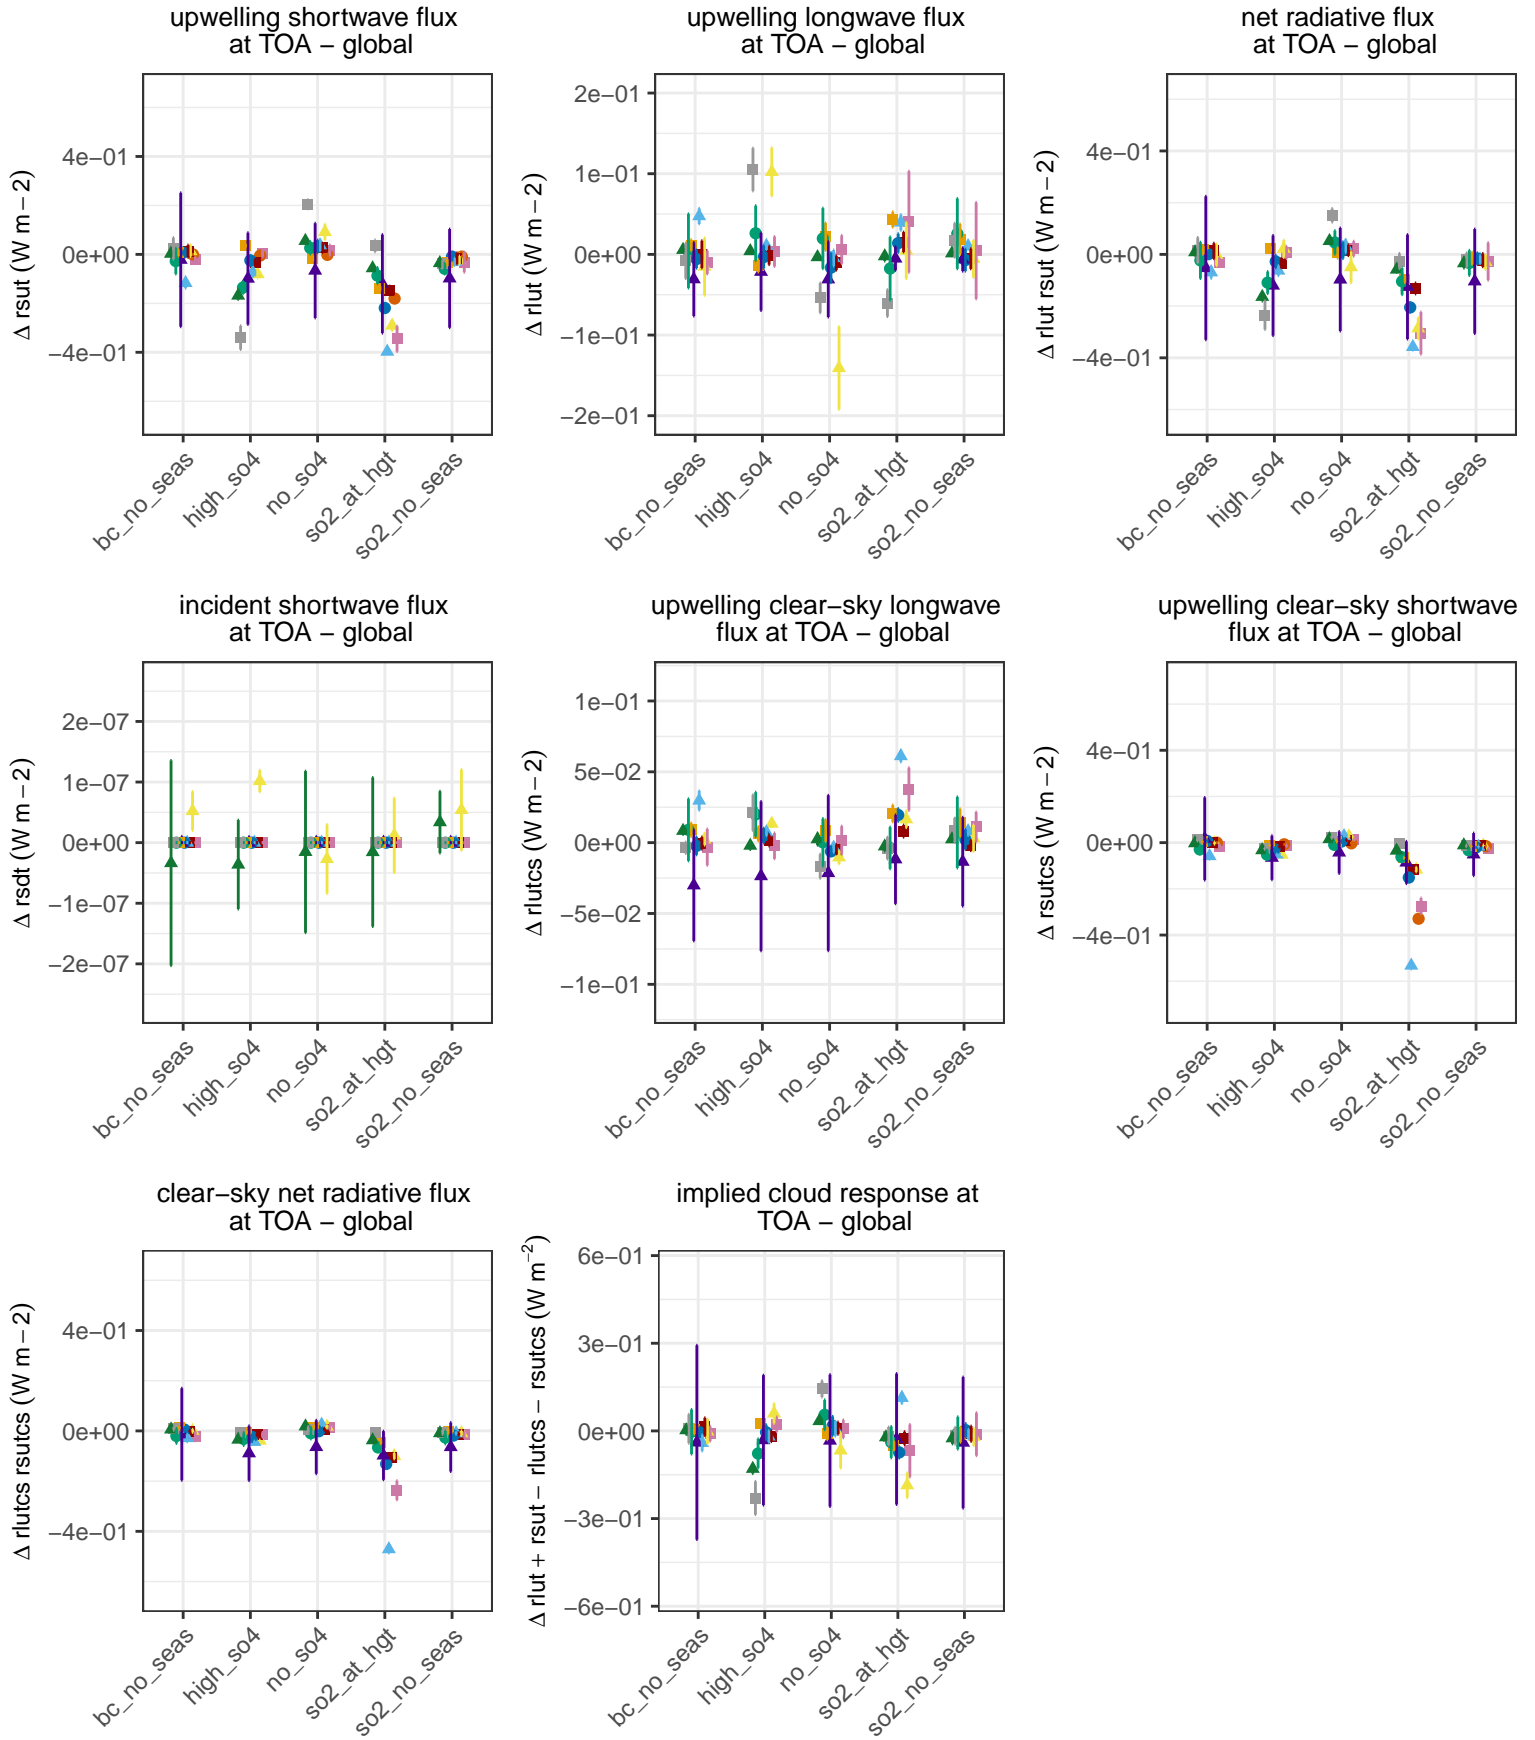

SO₄ lifetime – global

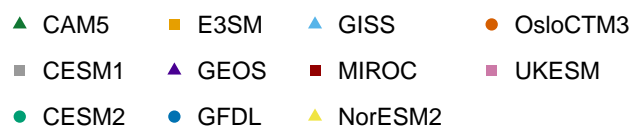

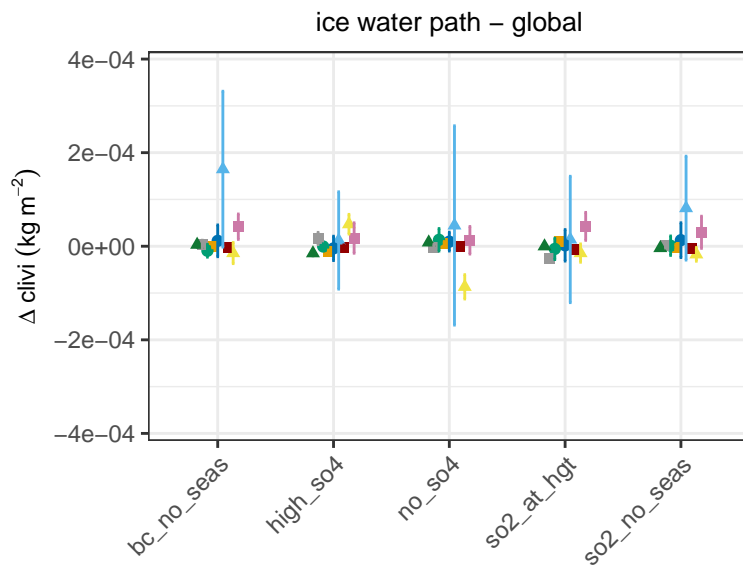

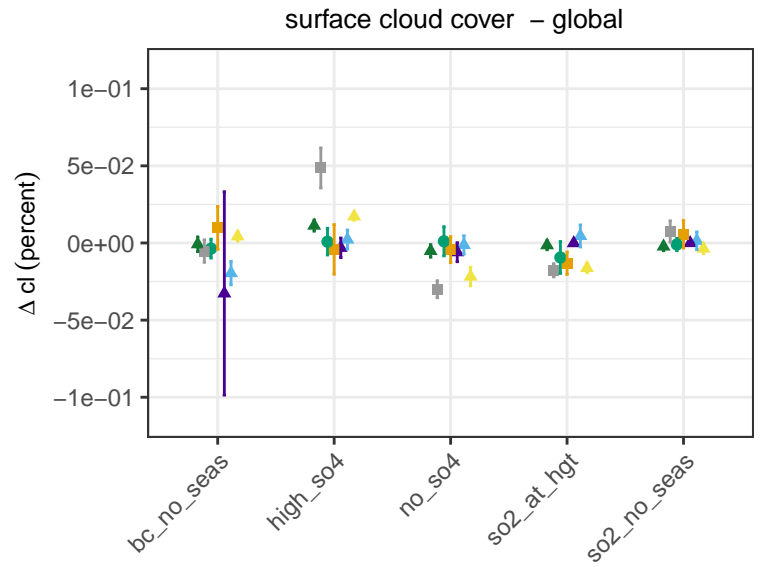

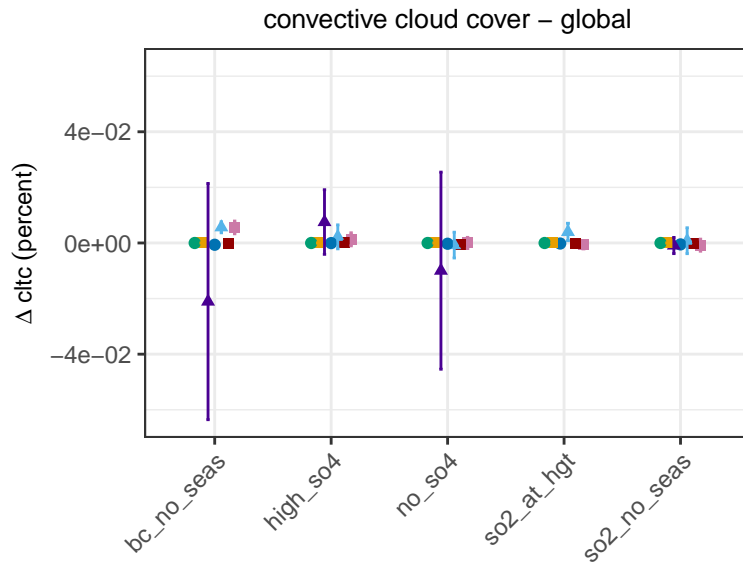

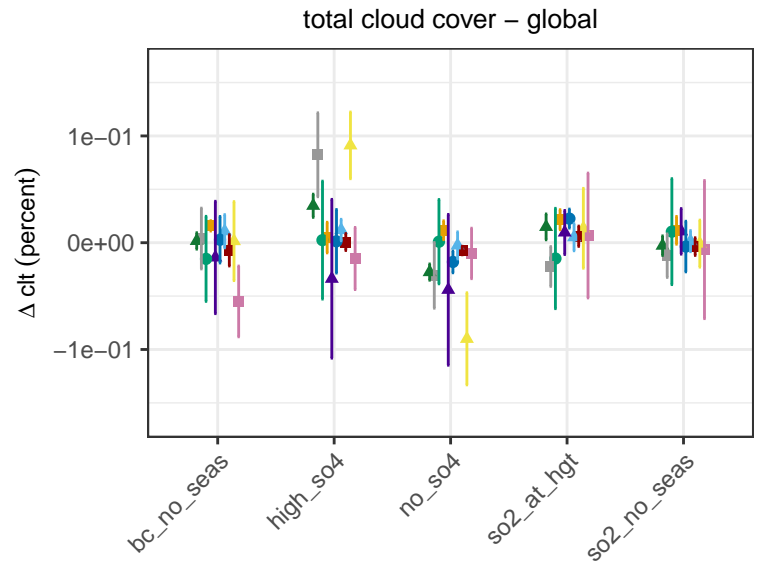

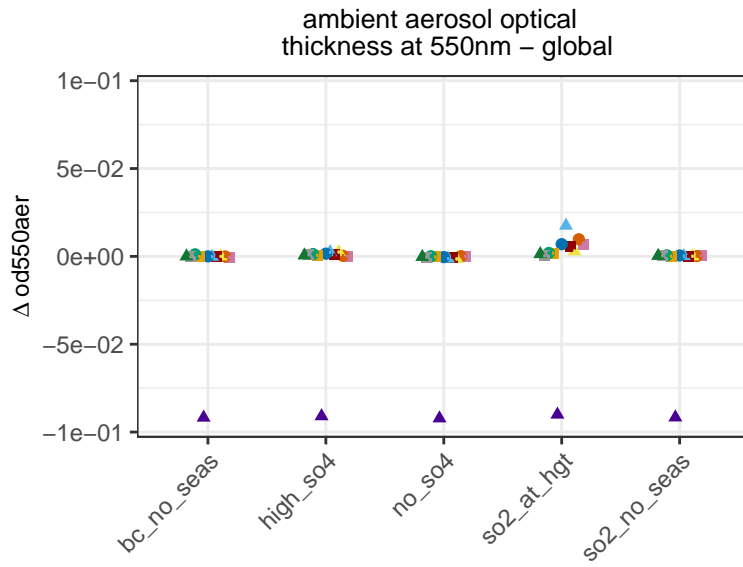

SO₂ timescale – global

Summary – absolute difference

Summary – absolute difference
