

Summary – absolute difference

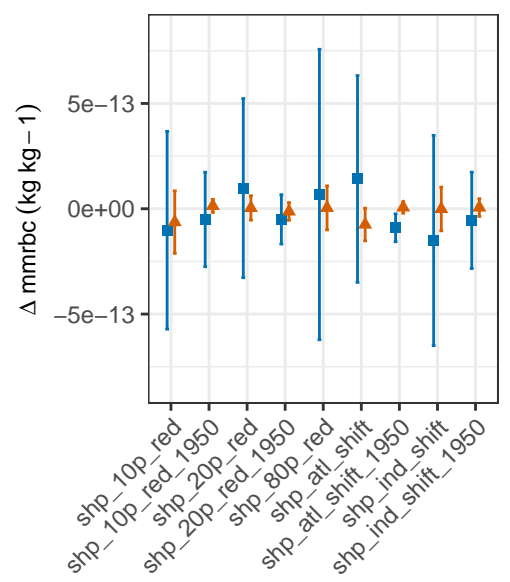

surface flux of BC – NH-land

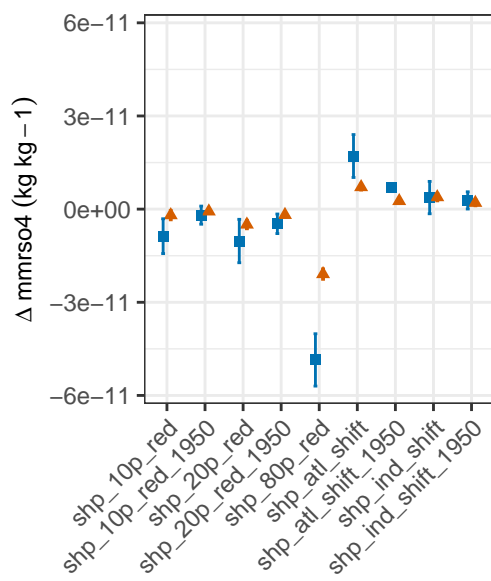

surface flux of SO₂ – NH-land

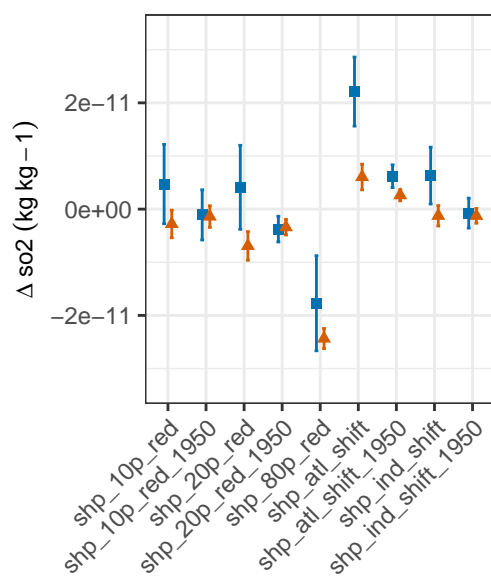

surface concentration of BC – NH-land

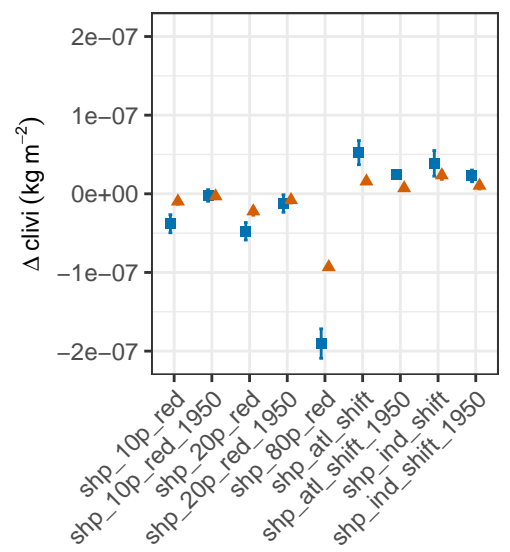

surface concentration of SO₄ – NH-land

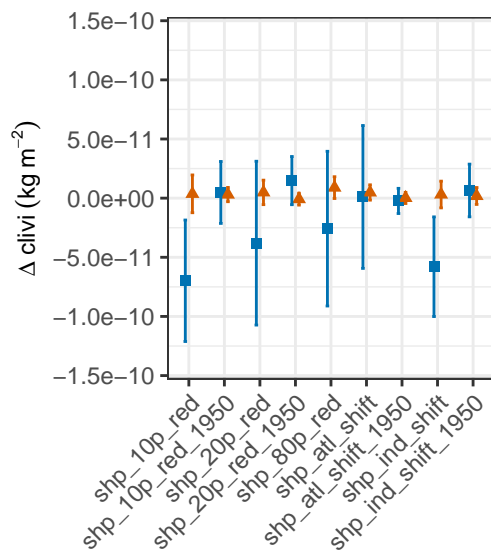

surface concentration of SO₂ – NH-land

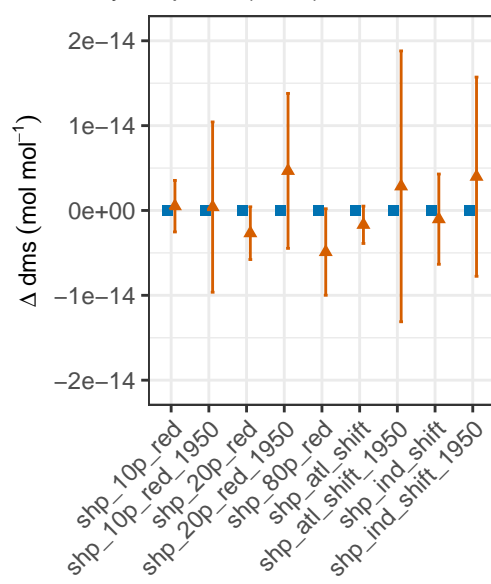

load of so₂ – NH-land

load of bc – NH-land

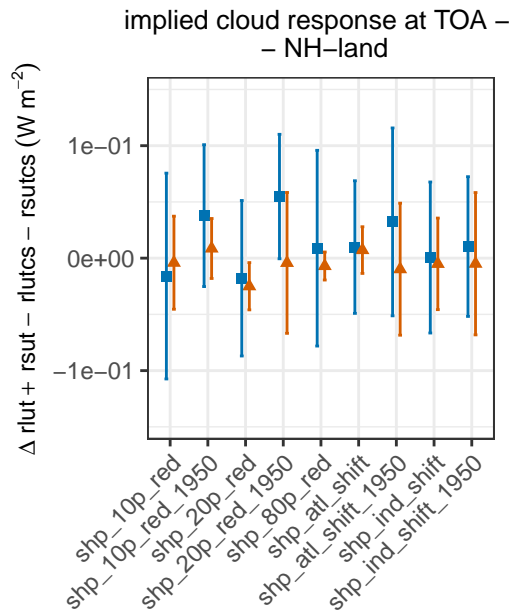

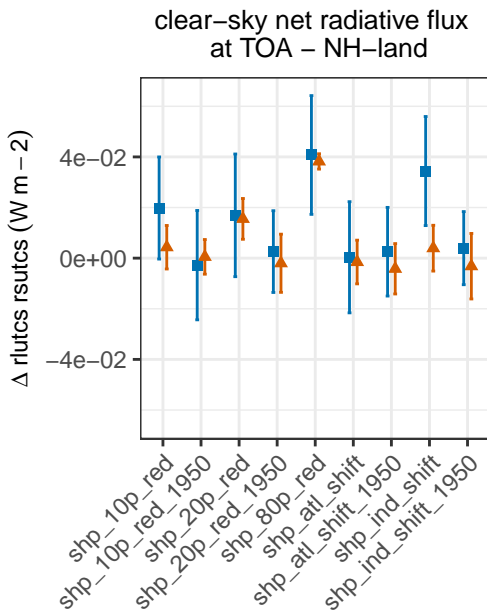

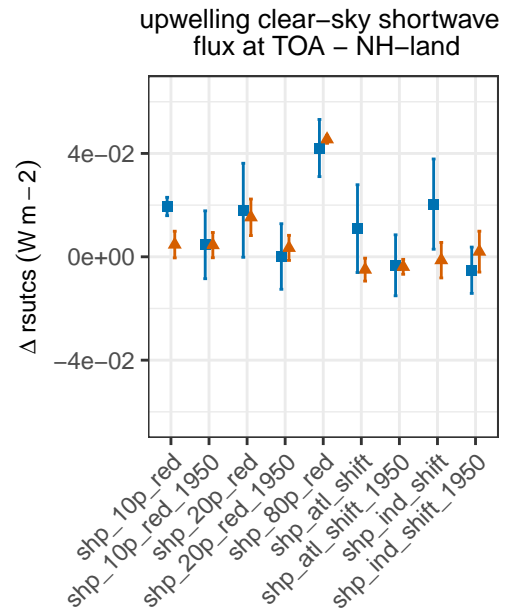

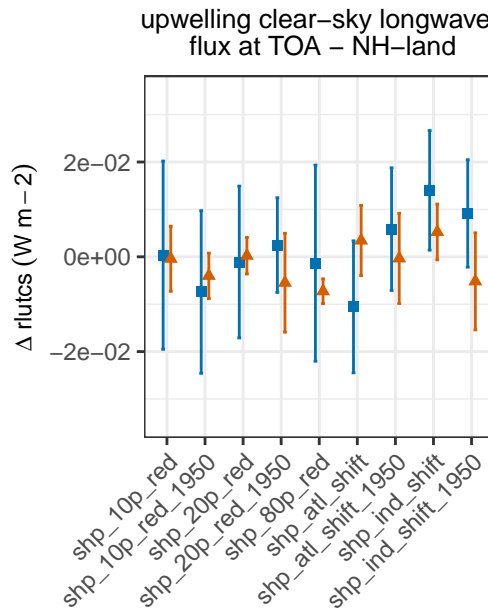

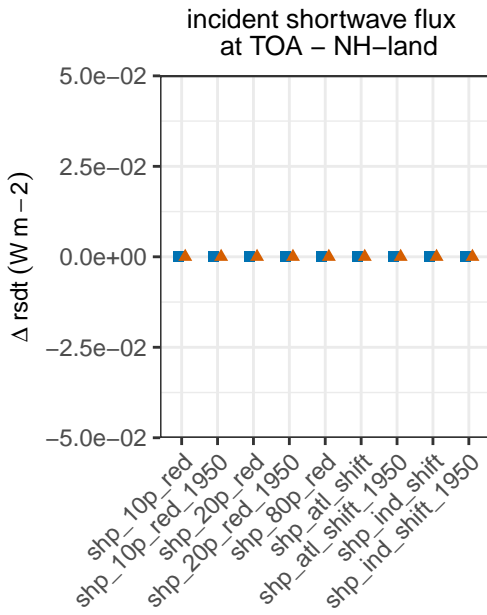

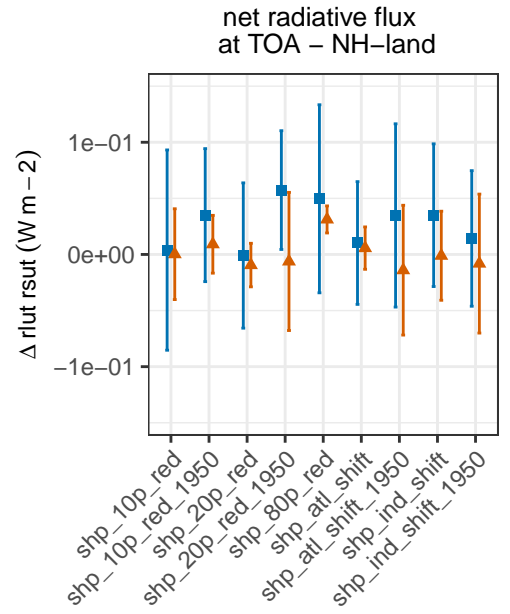

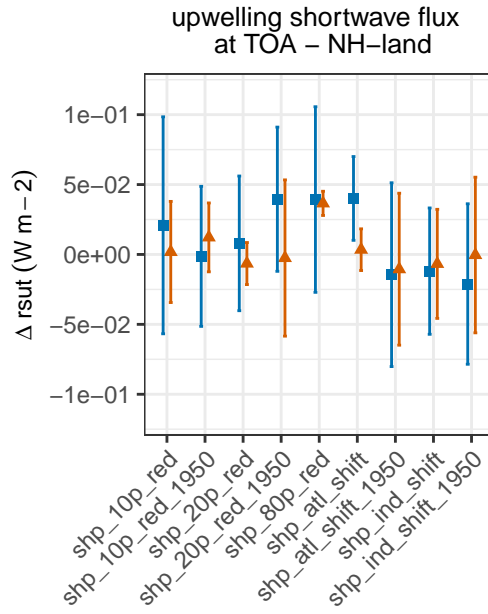

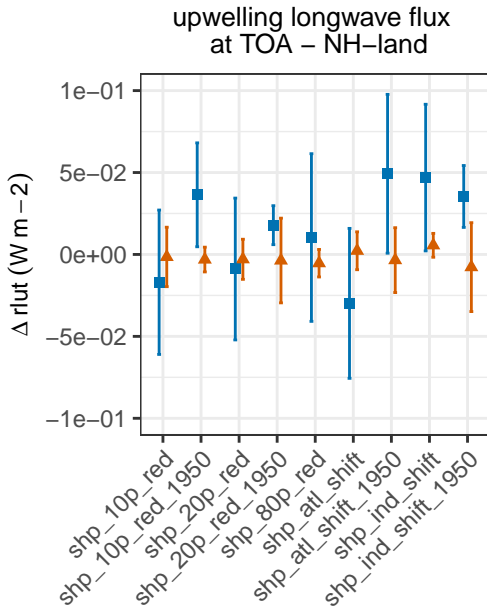

Dimethyl sulphide (DMS) mole fraction – NH-land

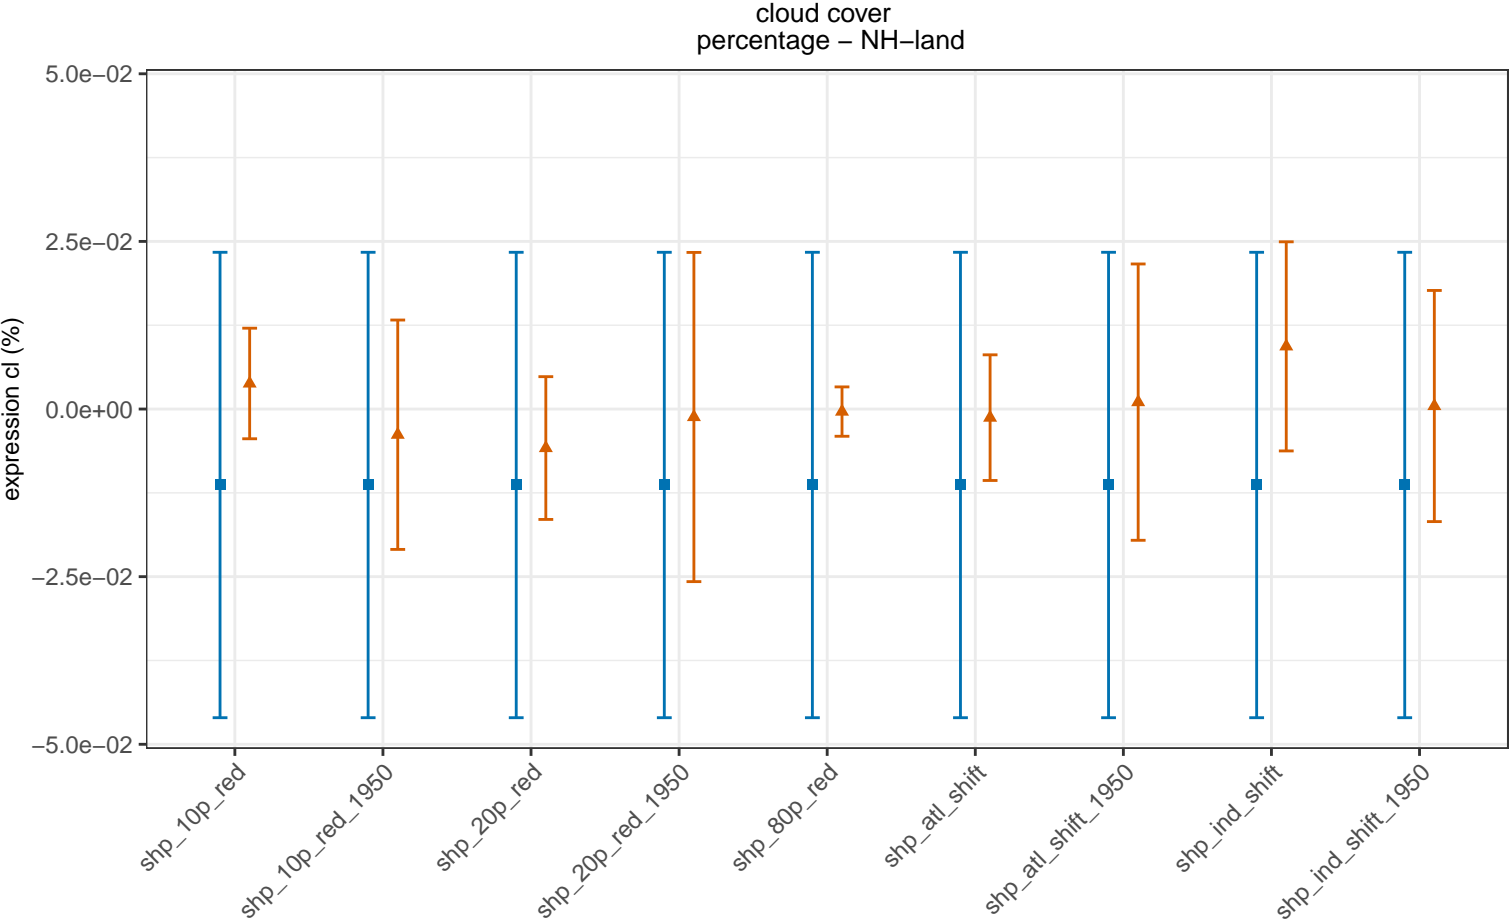

■ CESM1 ▲ GISS

Summary – absolute difference

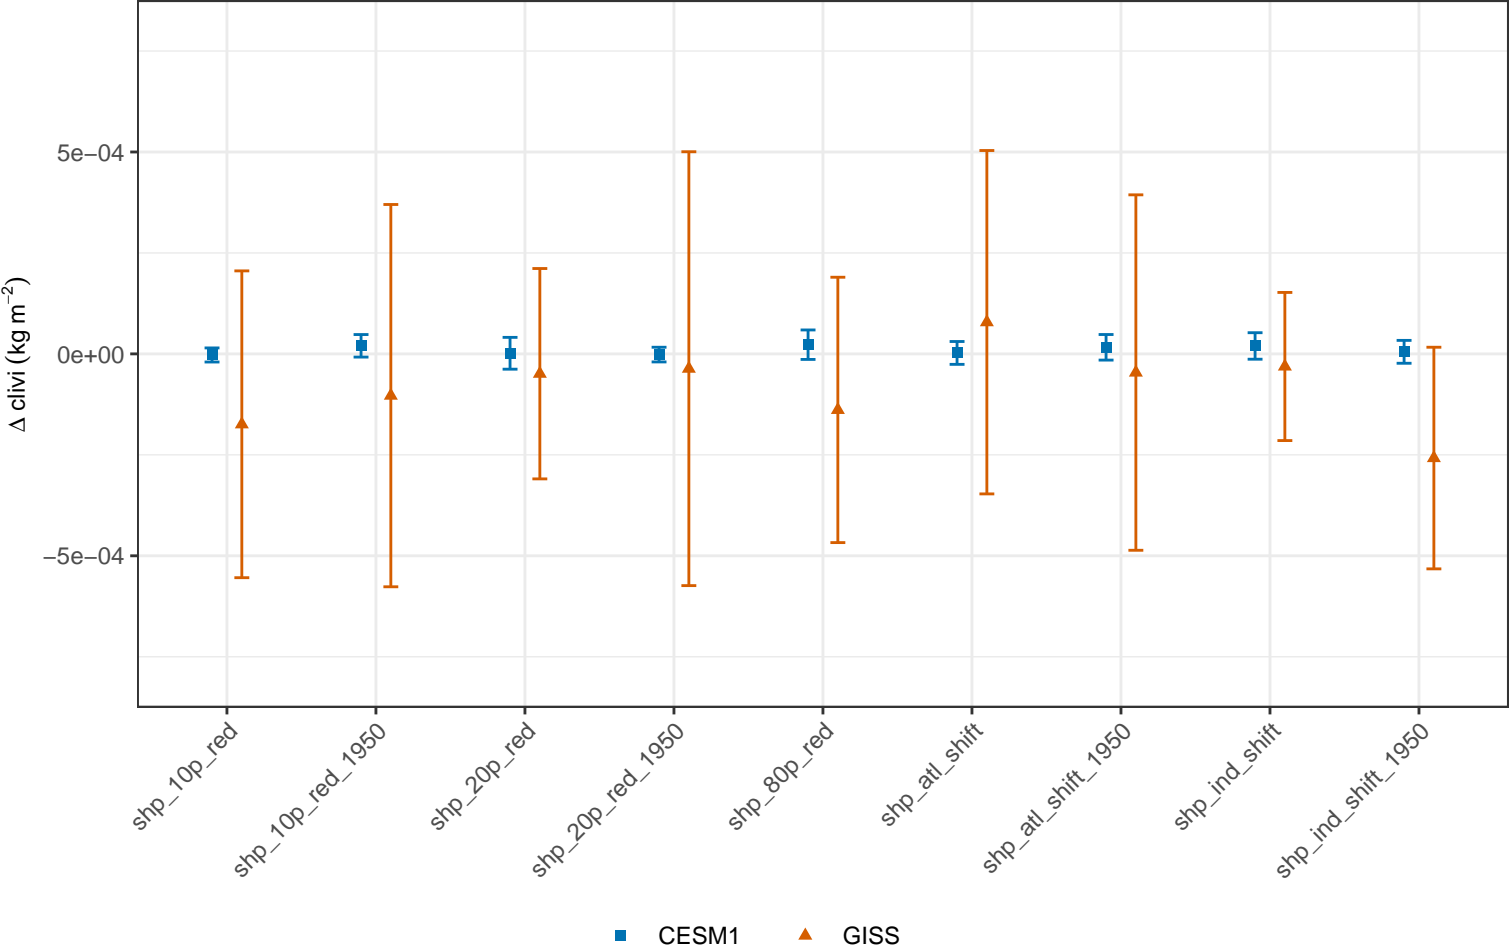

■ CESM1 ▲ GISS

Summary – absolute difference

Ice water path – NH-land

Summary – absolute difference
