

Summary – percent difference

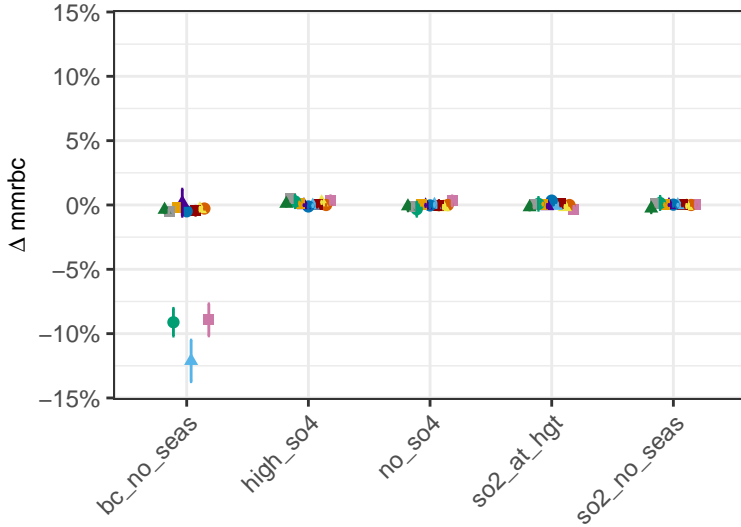

surface flux of BC – SH-sea

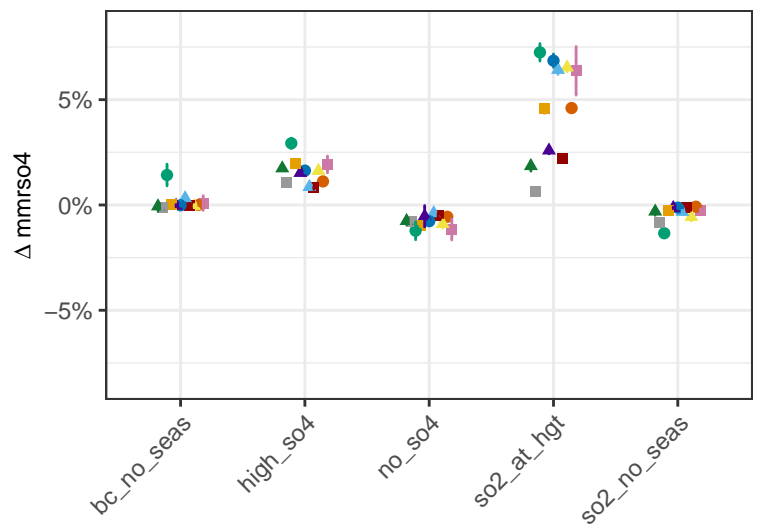

surface flux of SO2 – SH-sea

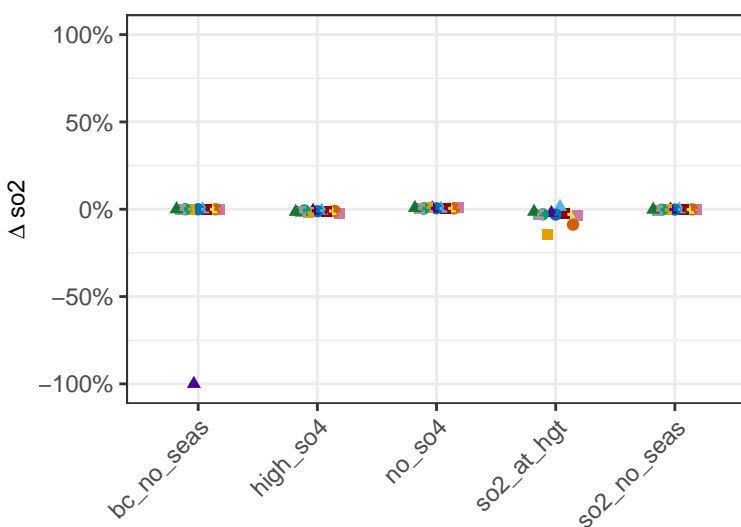

surface concentration of BC – SH-sea

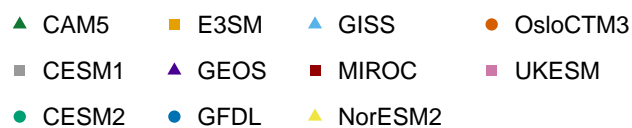

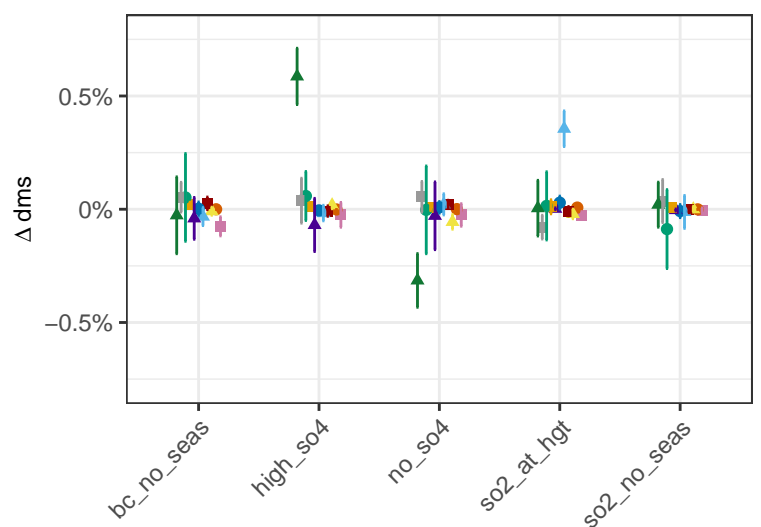

surface concentration of SO4 – SH-sea

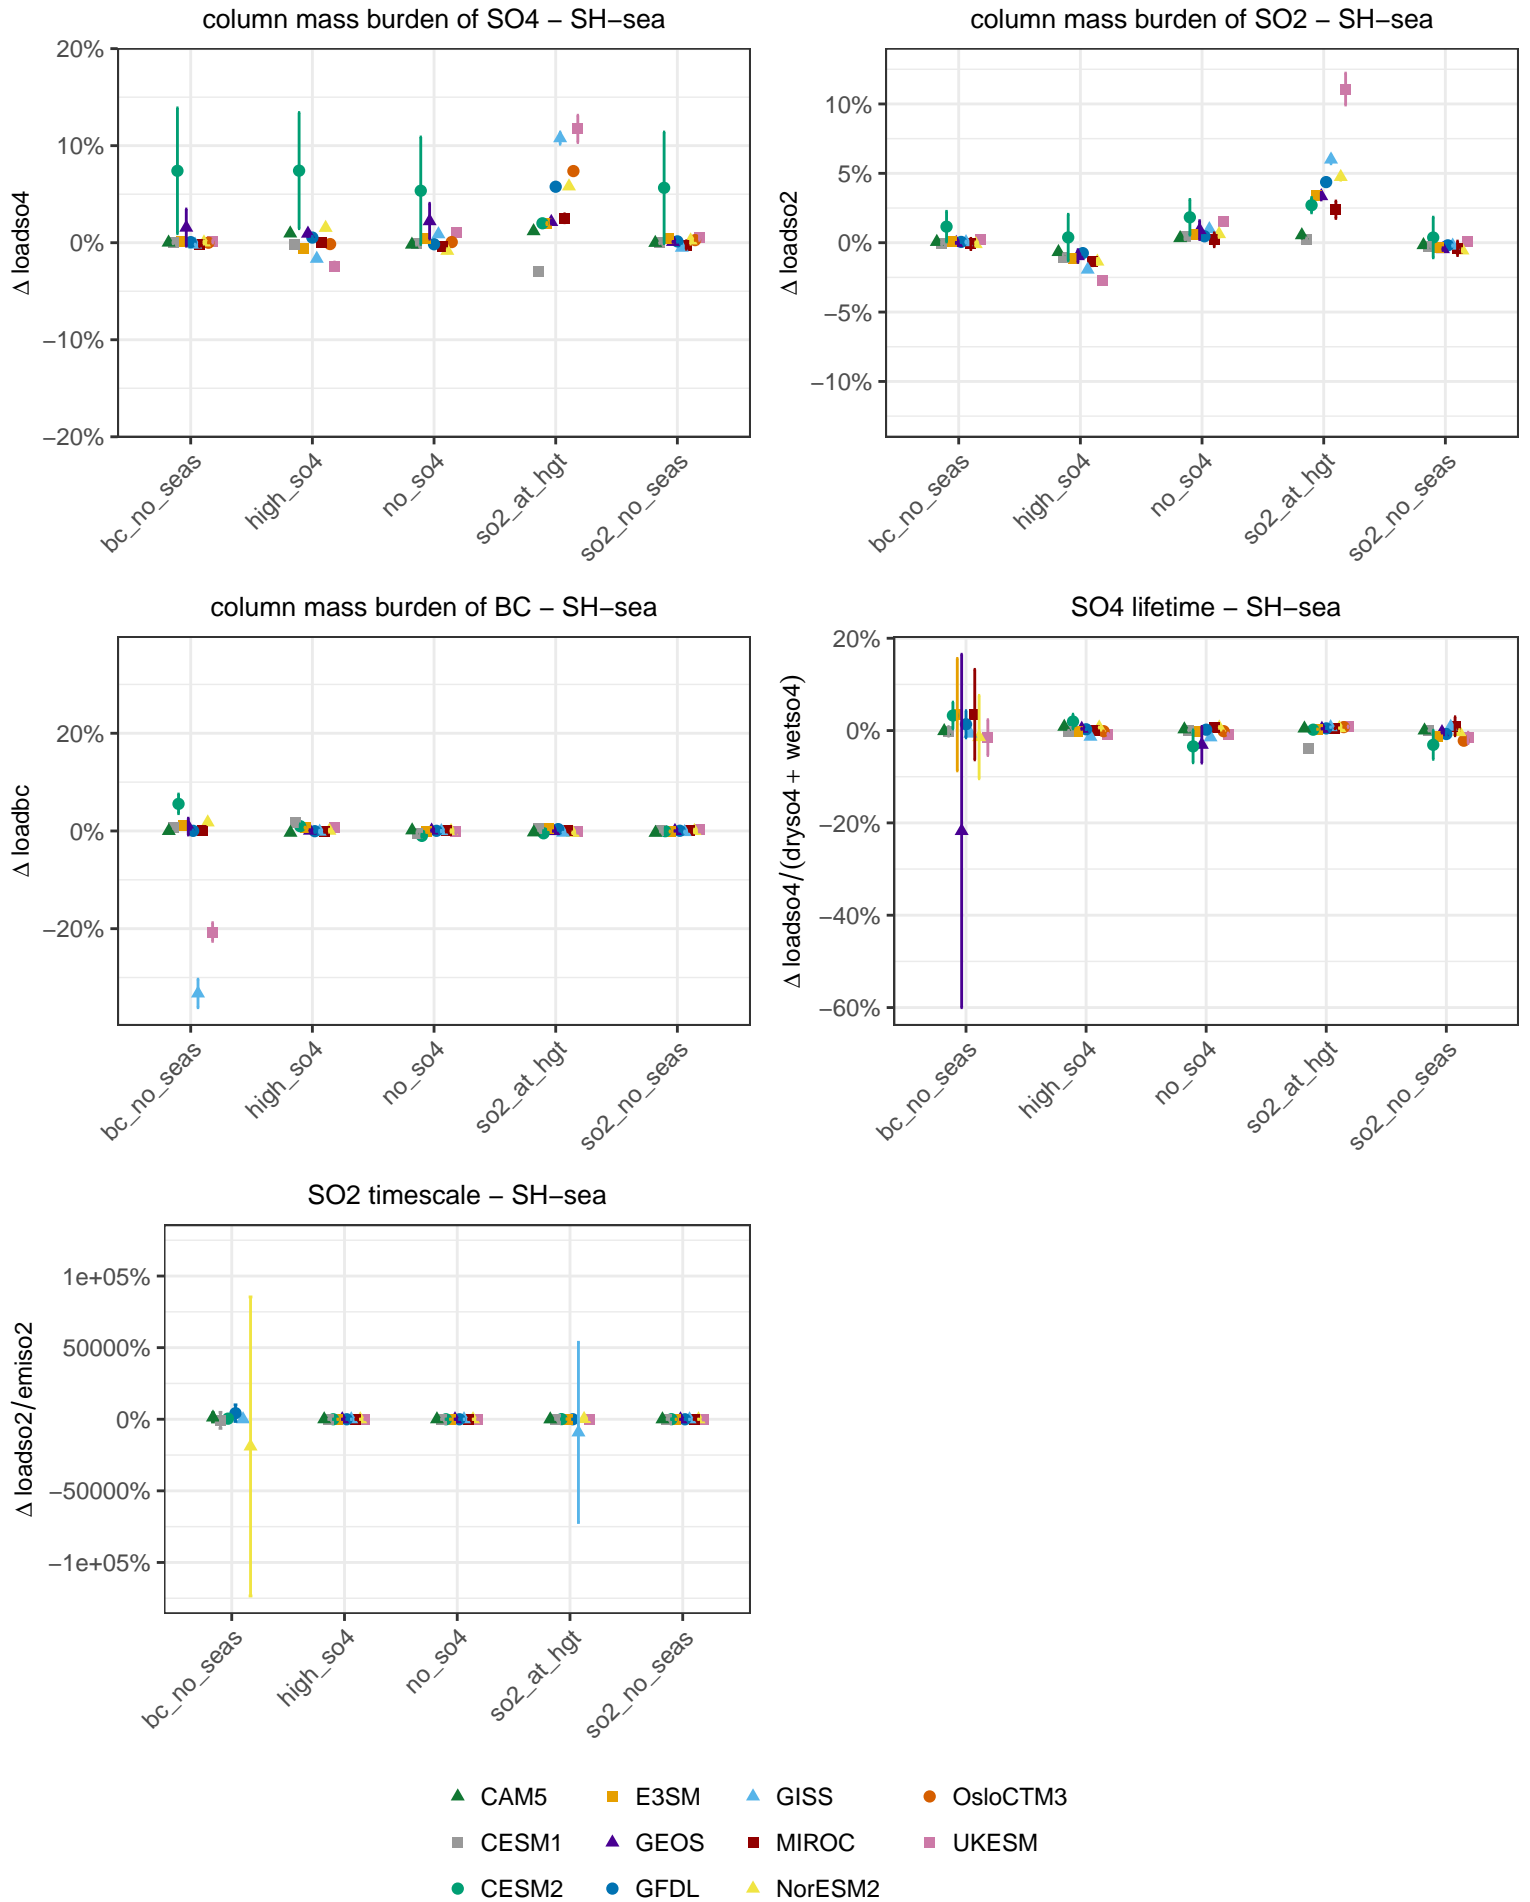

surface concentration of SO2 – SH-sea

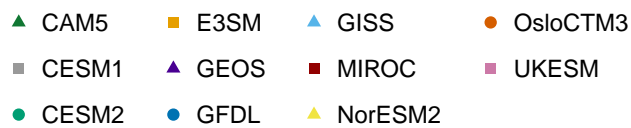

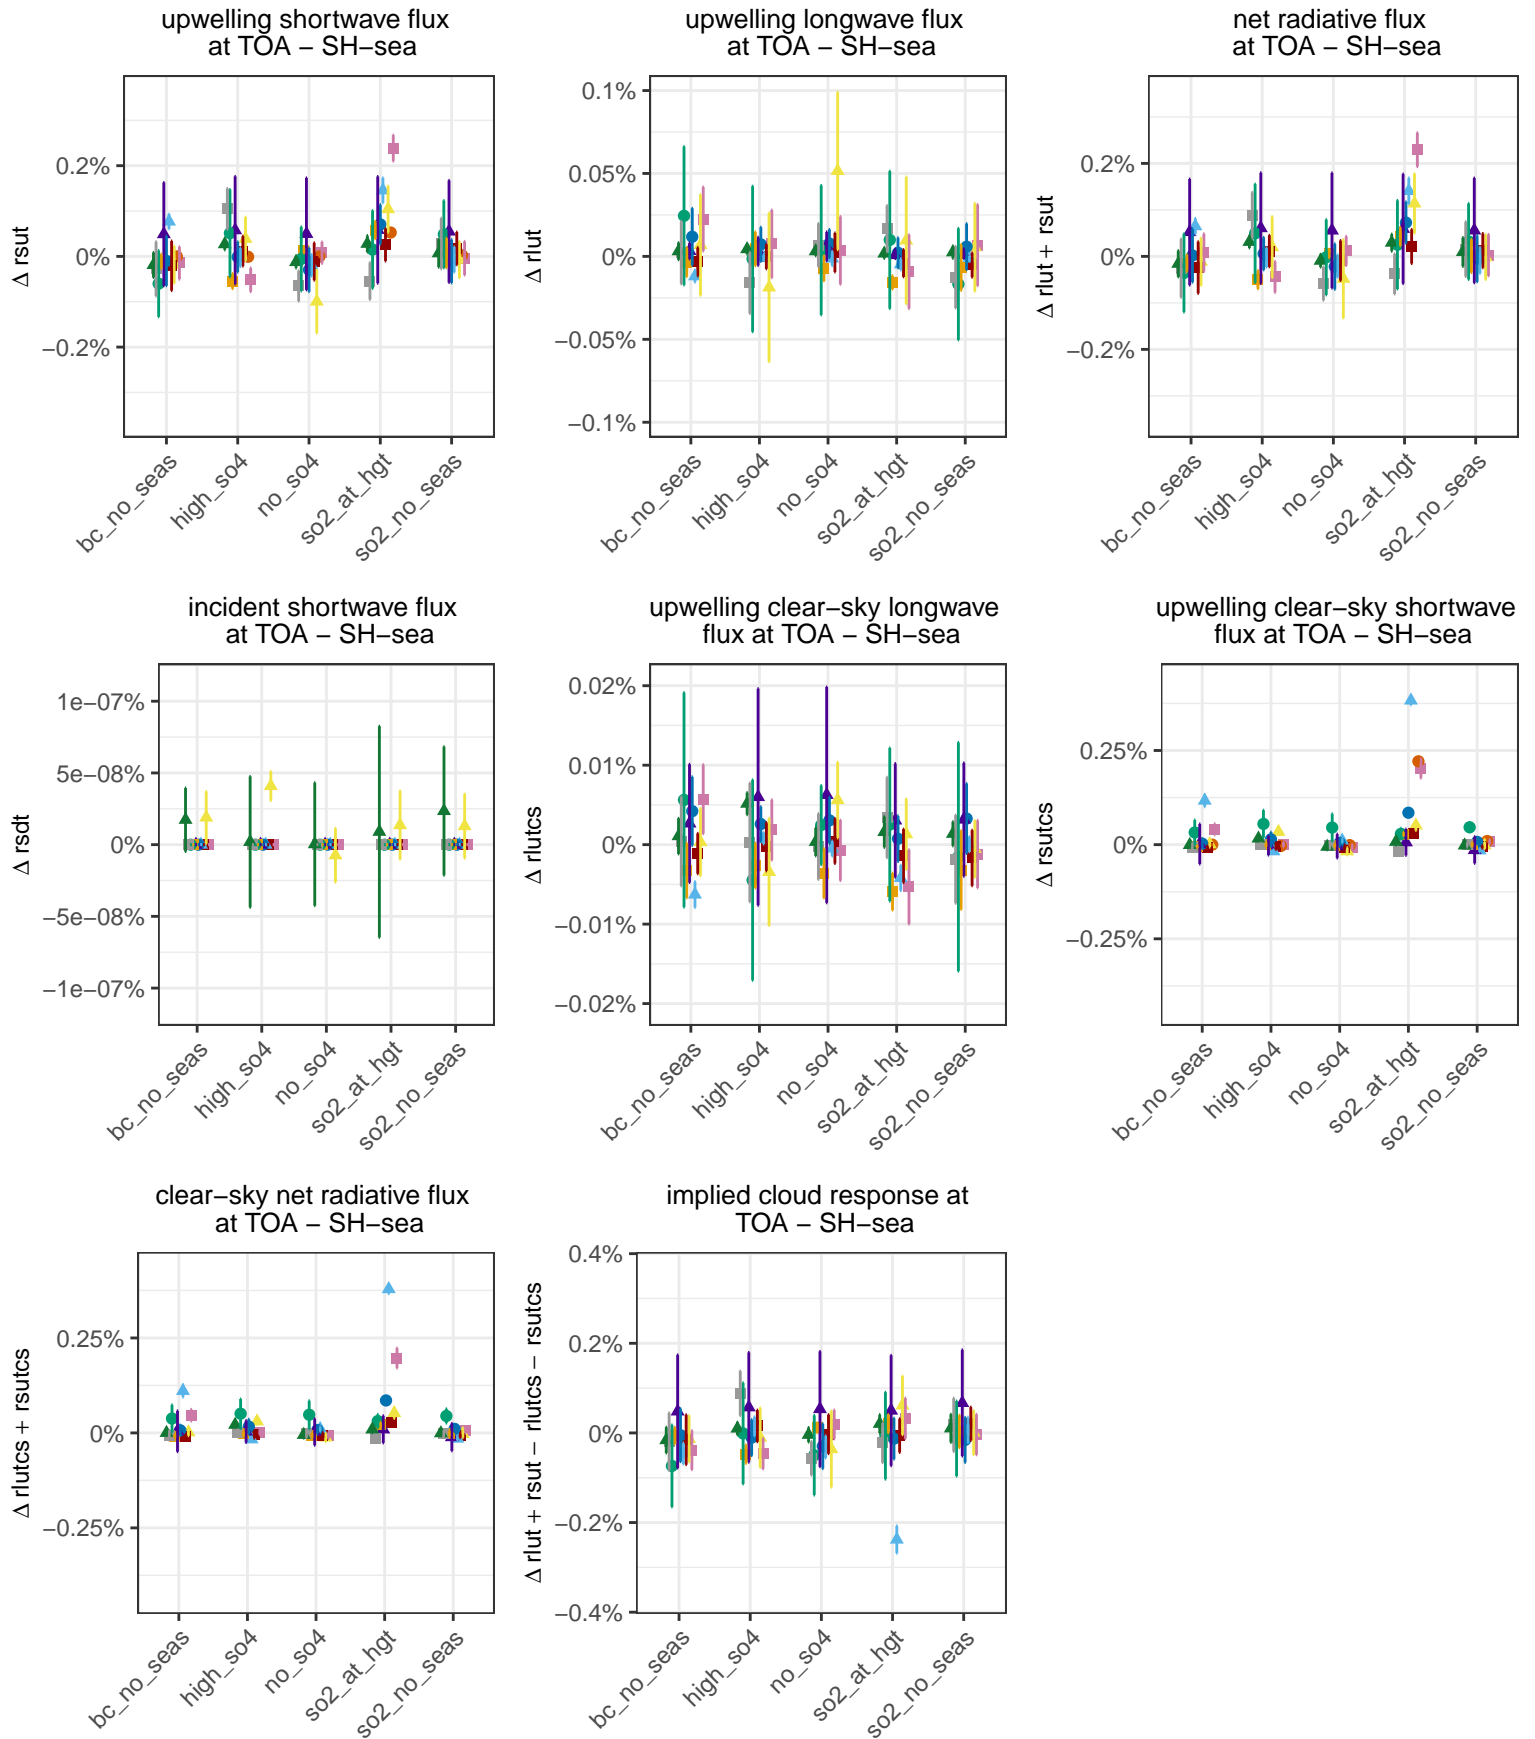

surface concentration of DMS – SH-sea

Summary – percent difference

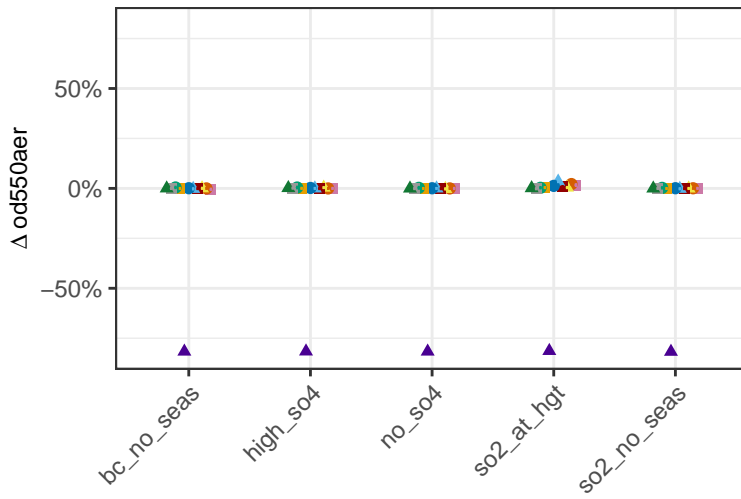

Summary – percent difference

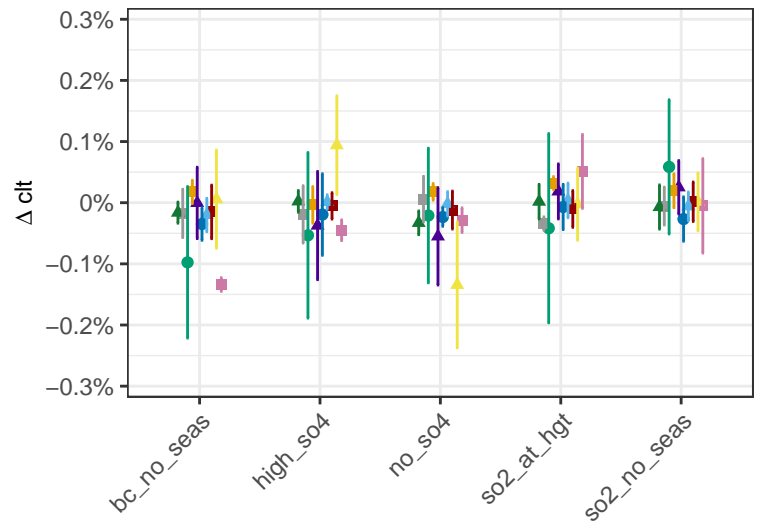

Summary – percent difference

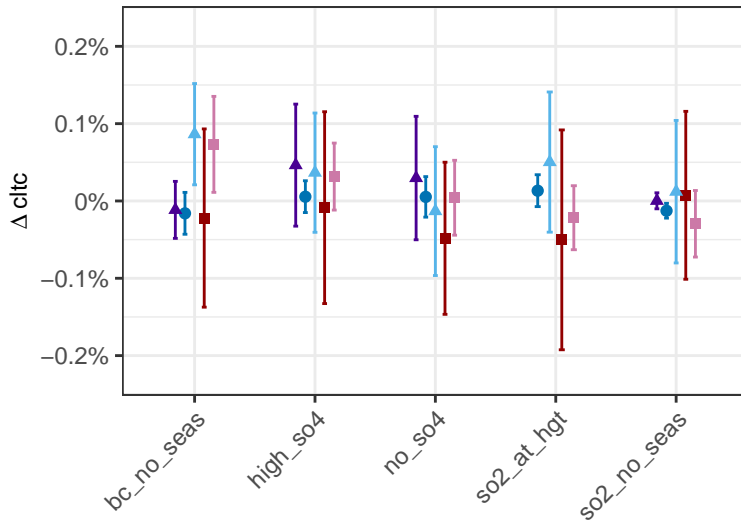

ambient aerosol optical
thickness at 550nm – SH-sea

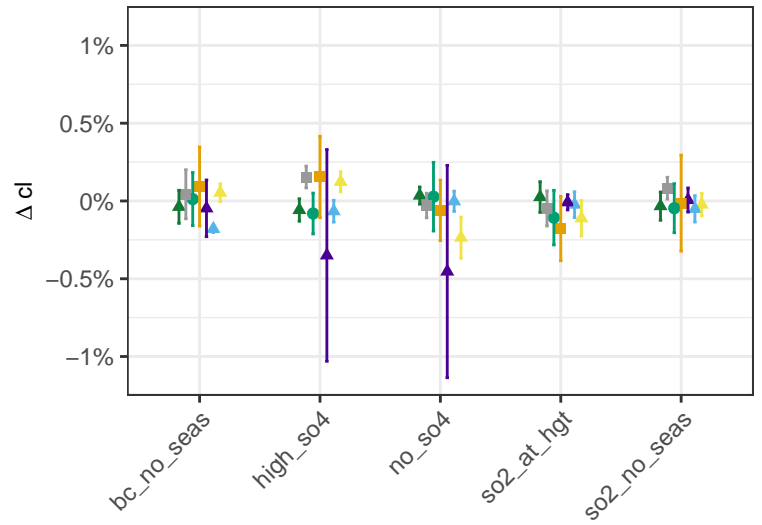

total cloud cover – SH-sea

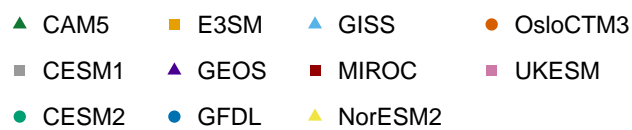

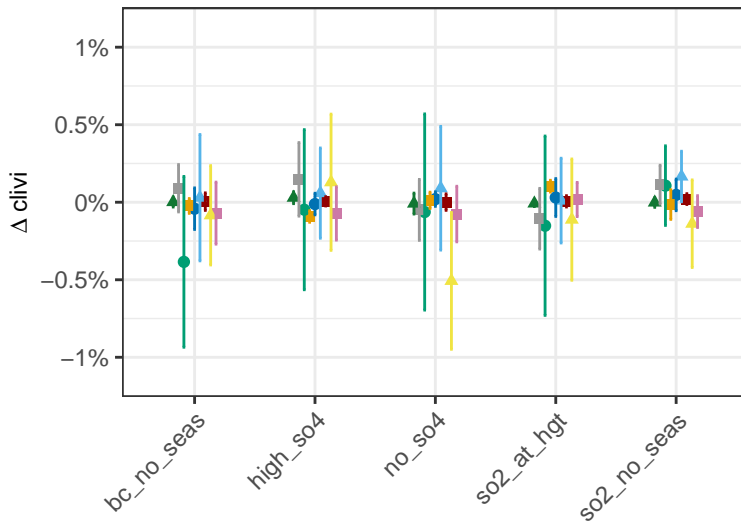

convective cloud cover – SH-sea

surface cloud cover – SH-sea

ice water path – SH-sea

Summary – percent difference
