

Summary – percent difference

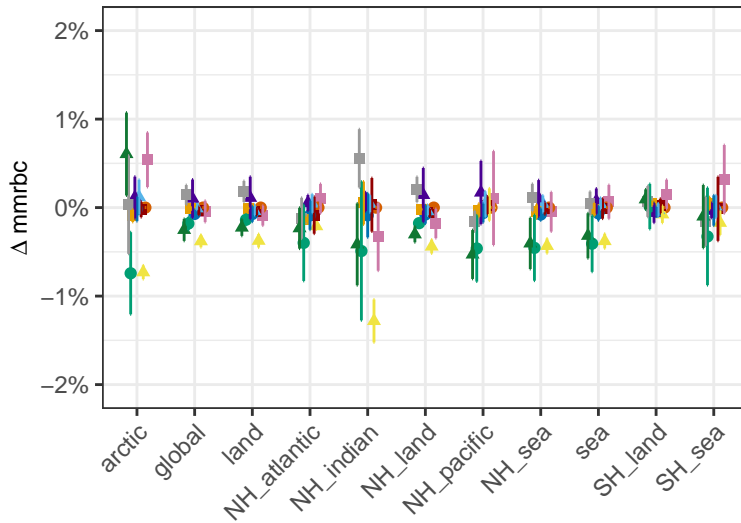

surface flux of BC – no-so4

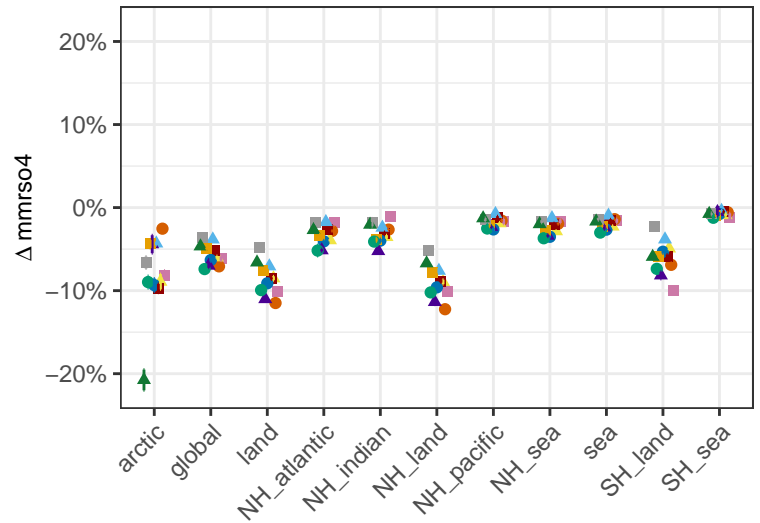

surface flux of SO2 – no-so4

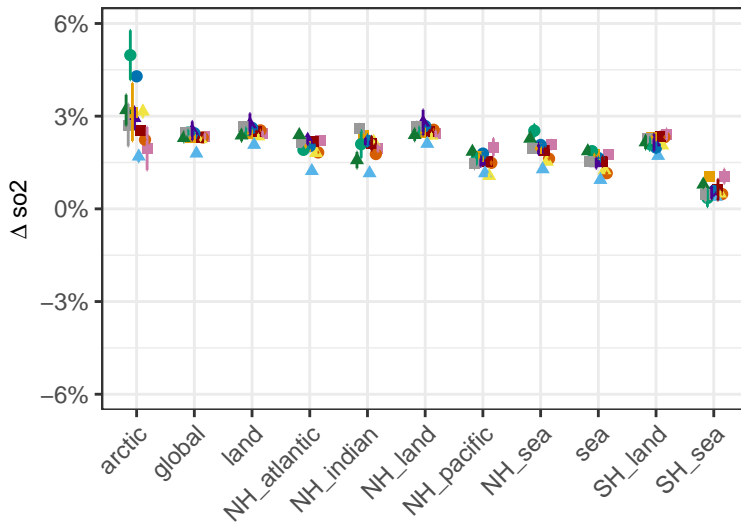

surface concentration of BC – no-so4

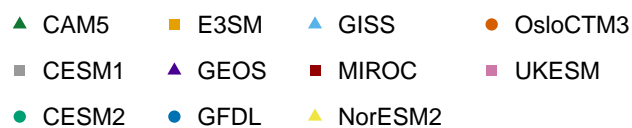

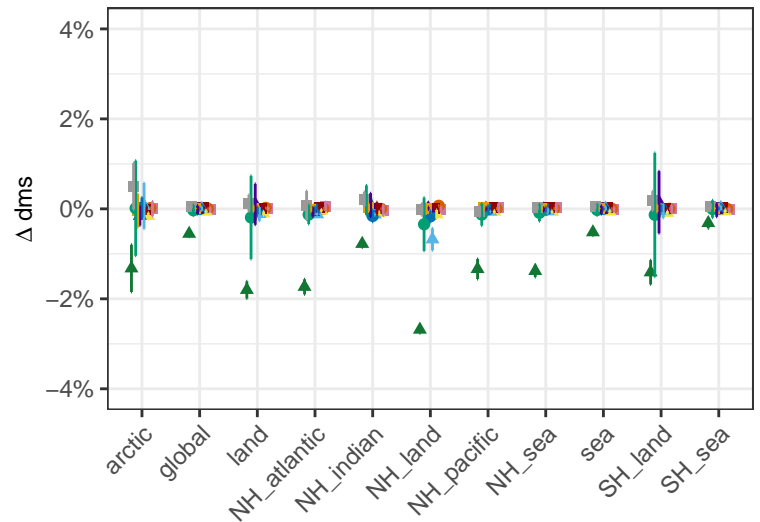

surface concentration of SO4 – no-so4

surface concentration of SO2 – no-so4

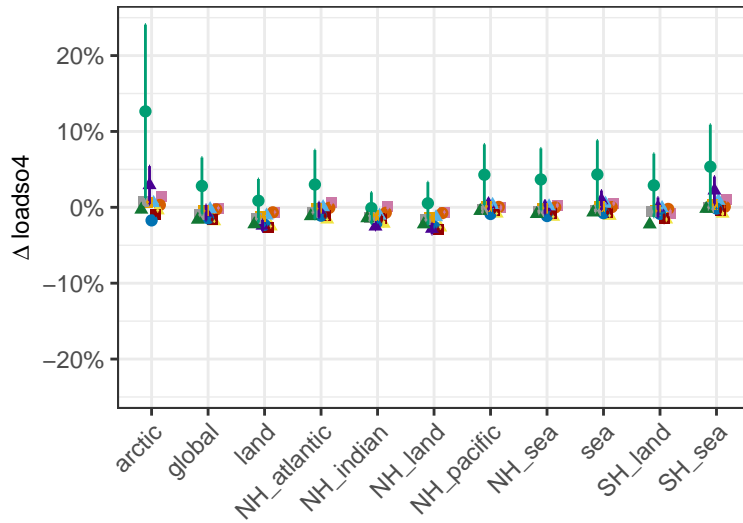

surface concentration of DMS – no-so4

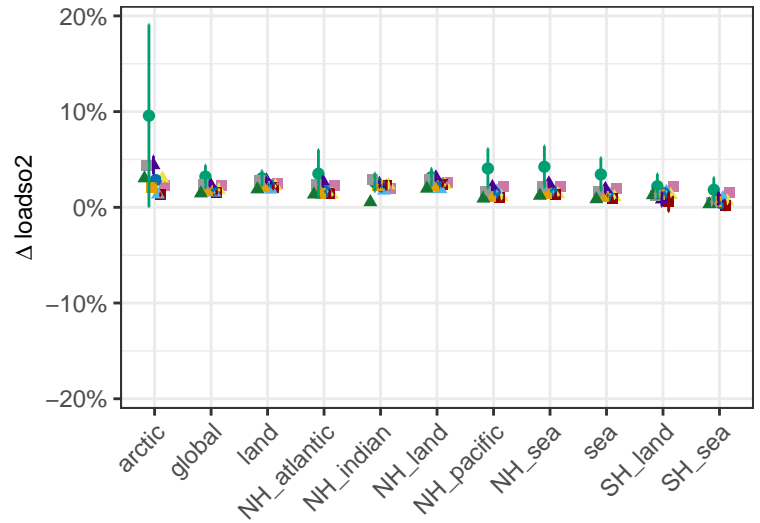

Summary – percent difference

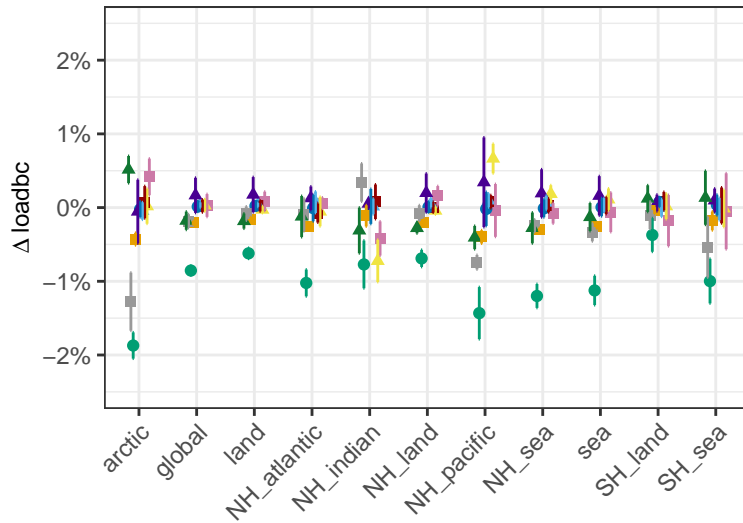

column mass burden of SO₄ – no-so₄

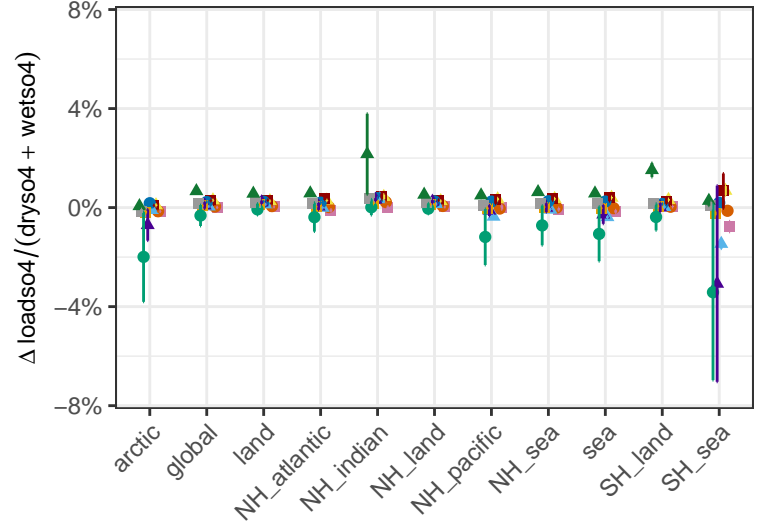

column mass burden of SO₂ – no-so₄

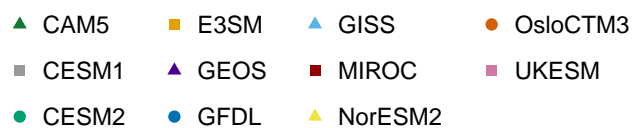

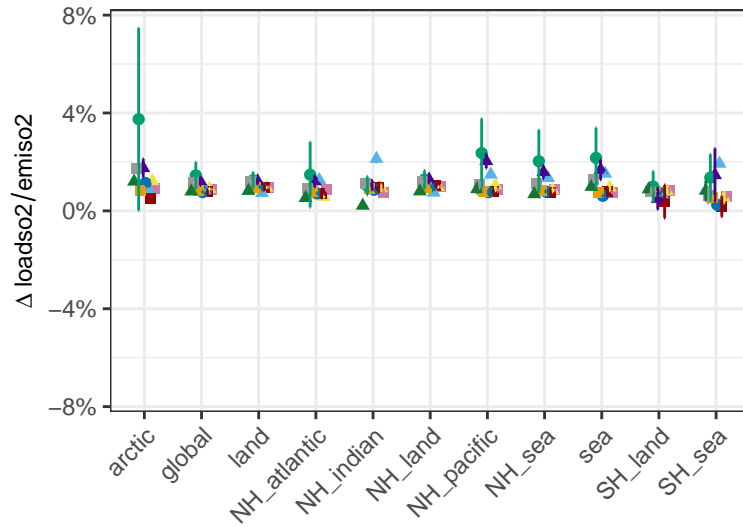

column mass burden of BC – no-so₄

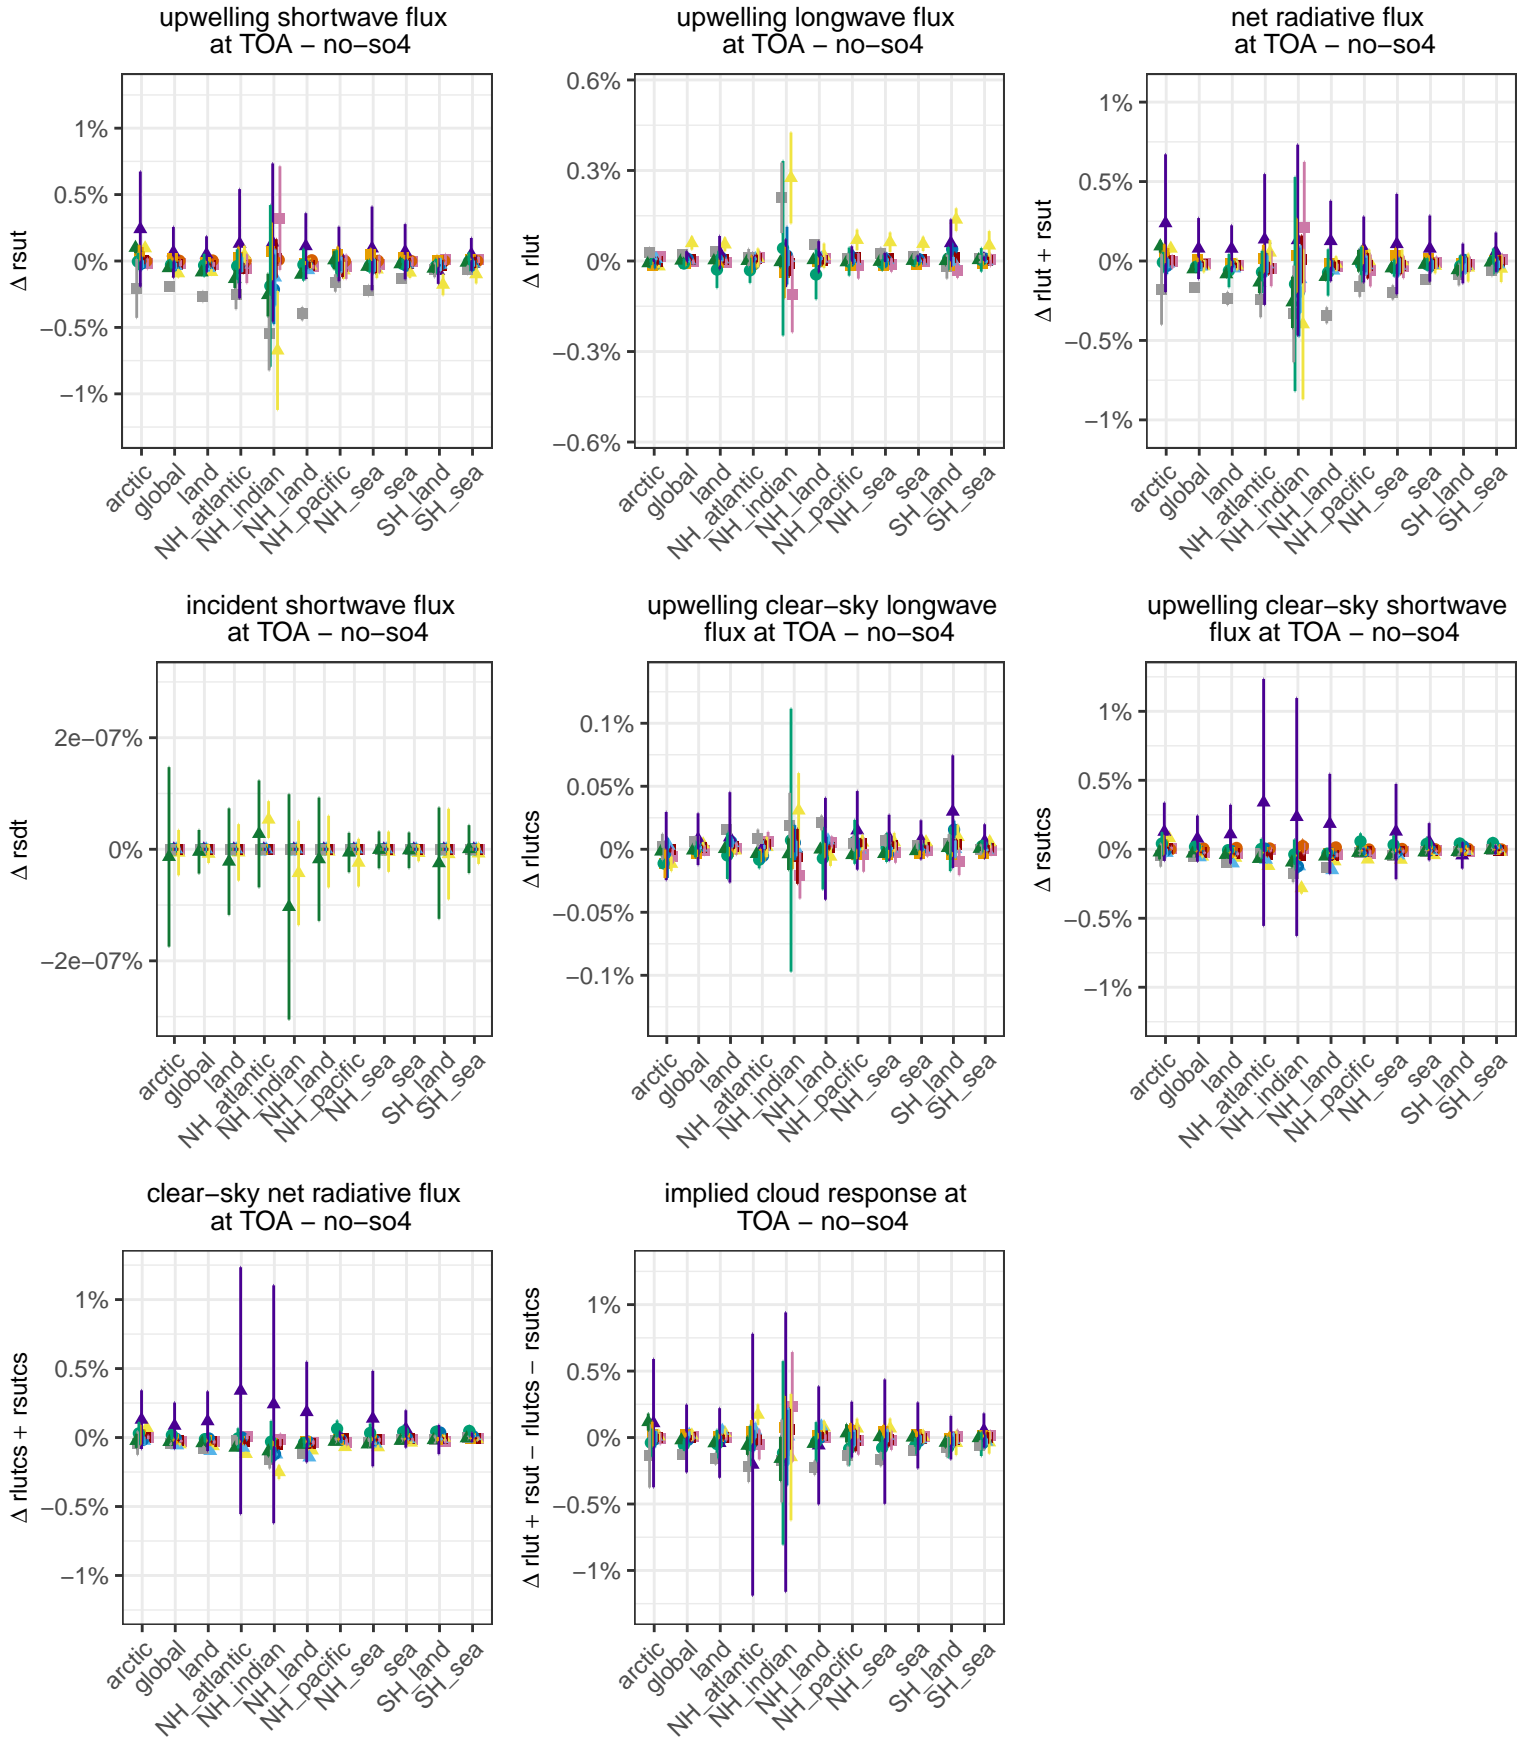

SO₄ lifetime – no-so₄

SO₂ timescale – no-so₄

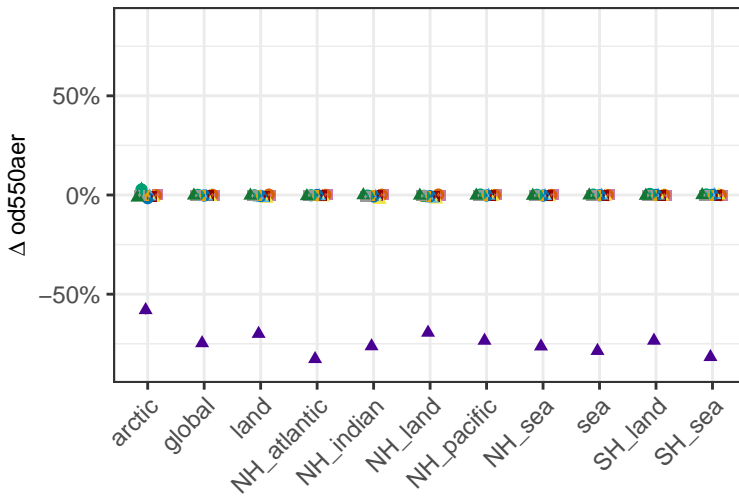

Summary – percent difference

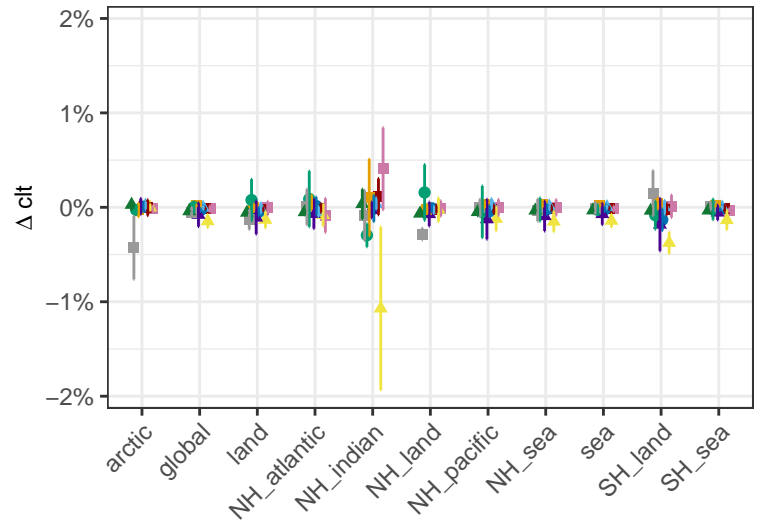

Summary – percent difference

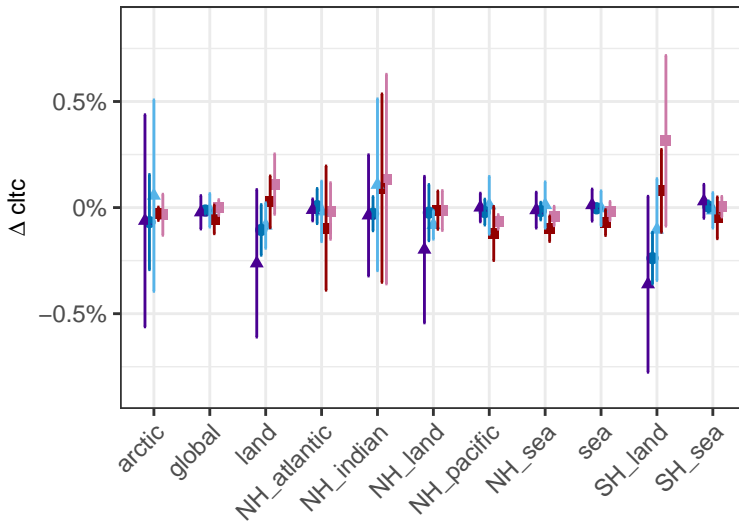

ambient aerosol optical
thickness at 550nm – no-so4

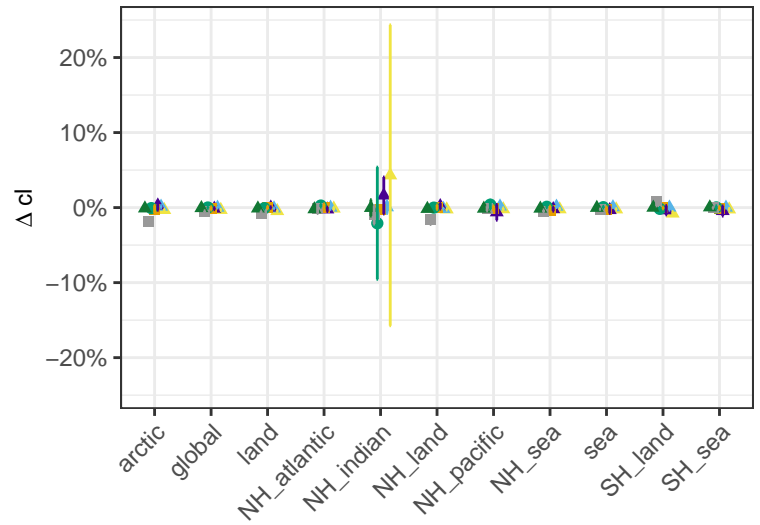

total cloud cover – no-so4

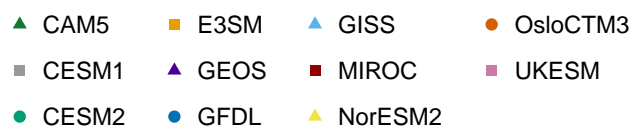

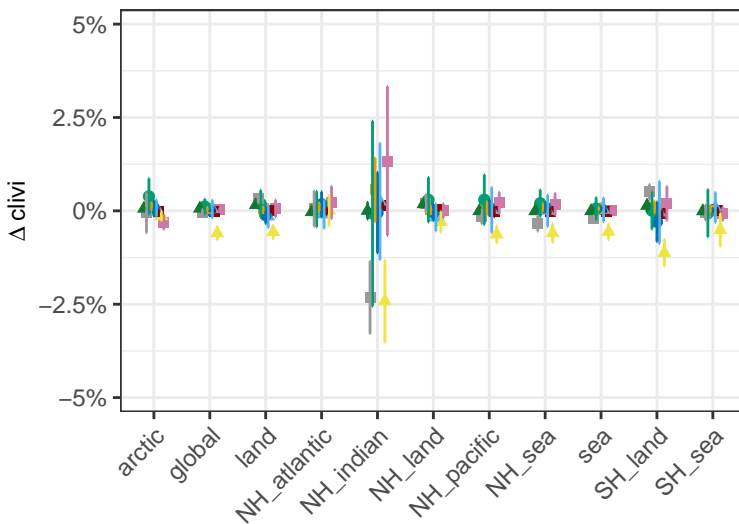

convective cloud cover – no-so4

surface cloud cover – no-so4

ice water path – no-so4

Summary – percent difference
