

Summary – percent difference

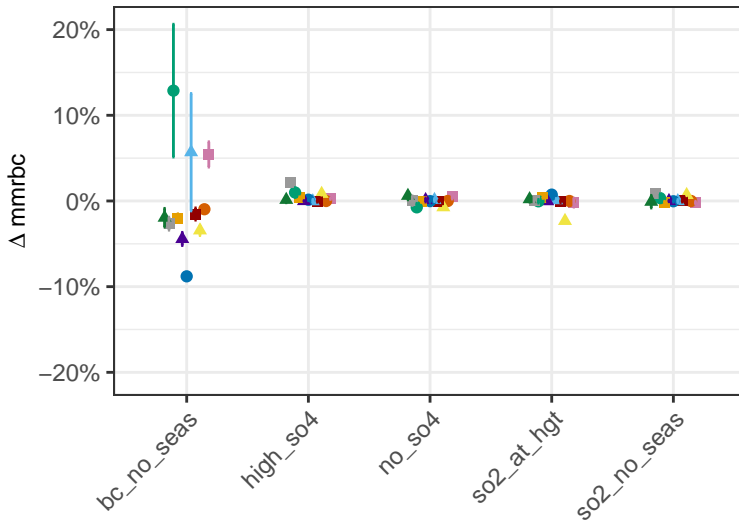

surface flux of BC – arctic

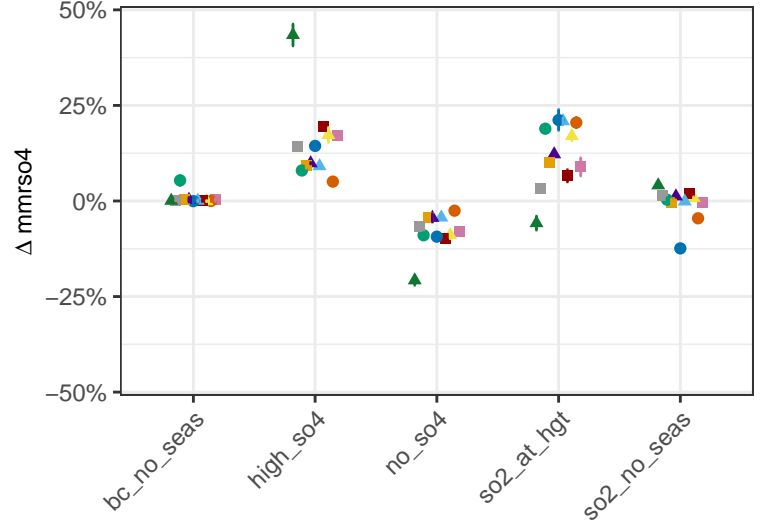

surface flux of SO₂ – arctic

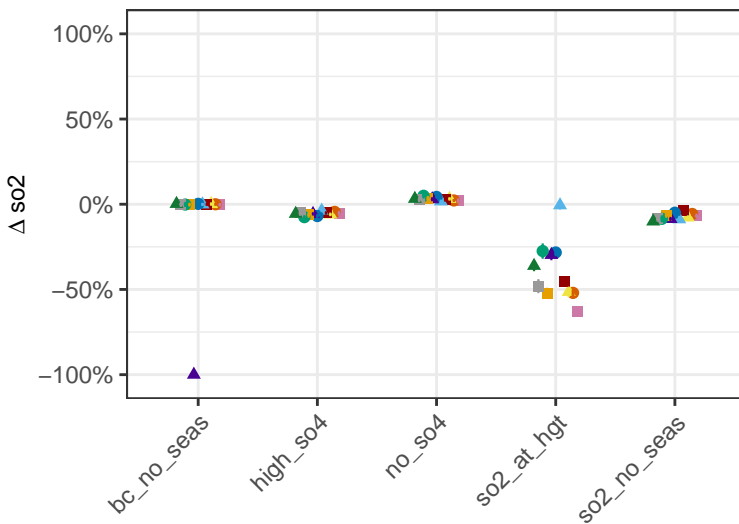

surface concentration of BC – arctic

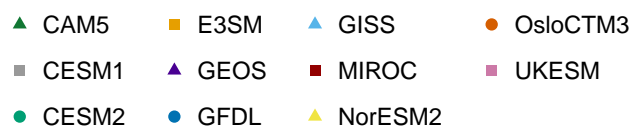

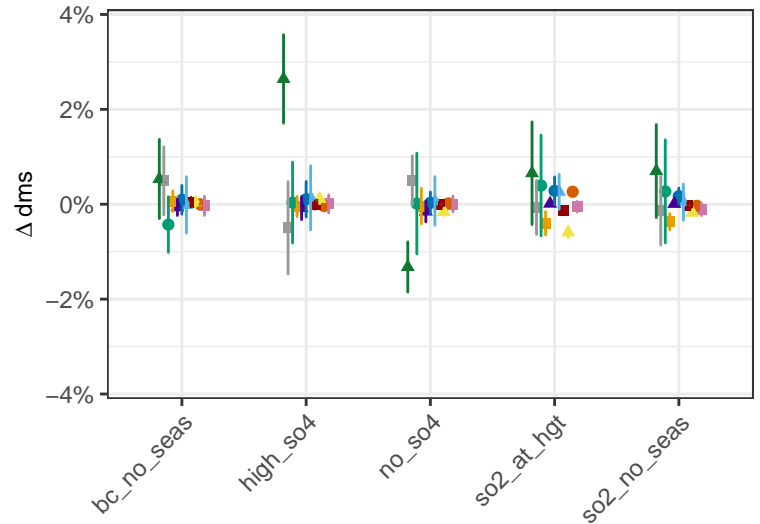

surface concentration of SO₄ – arctic

surface concentration of SO₂ – arctic

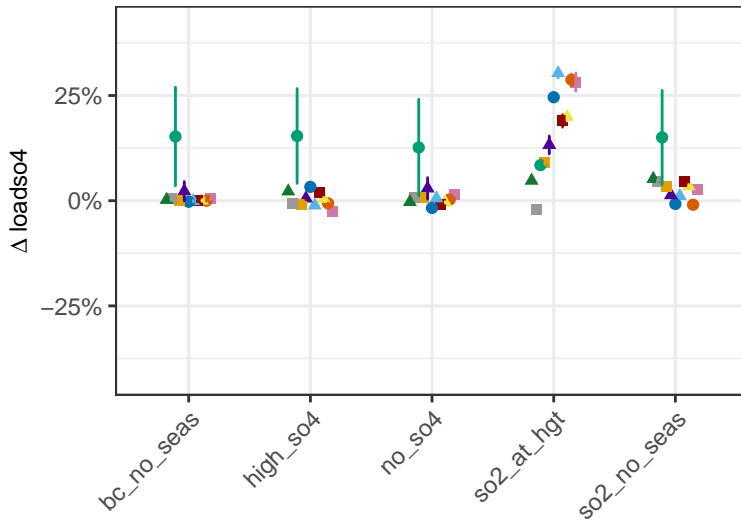

surface concentration of DMS – arctic

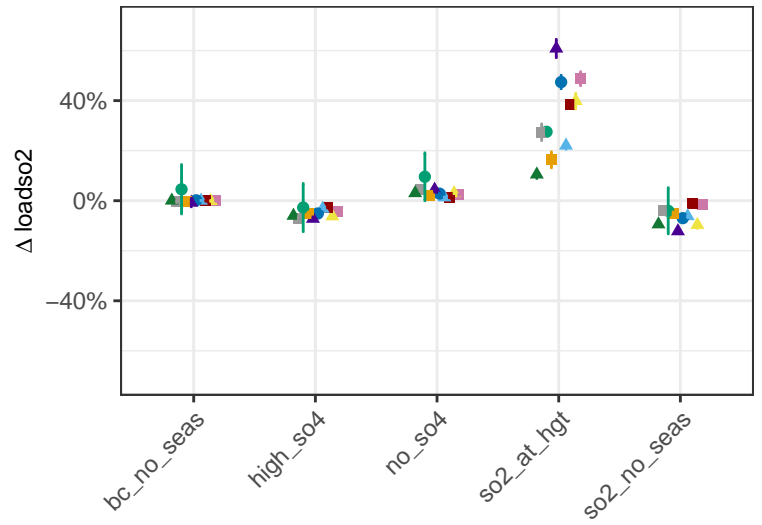

Summary – percent difference

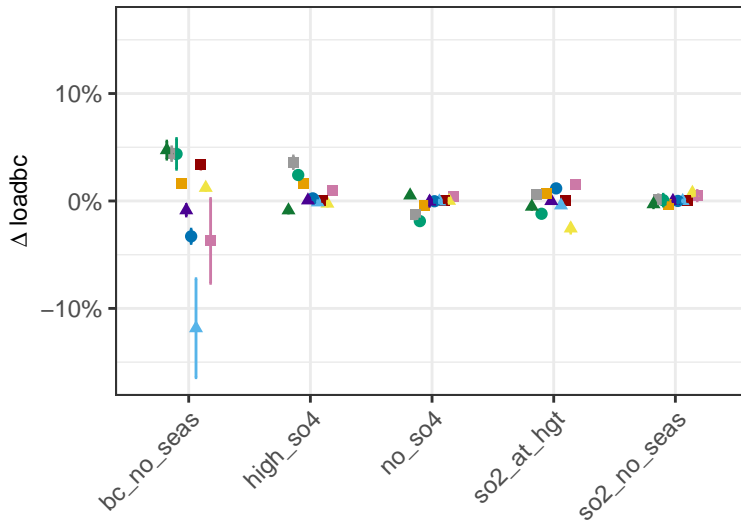

column mass burden of SO₄ – arctic

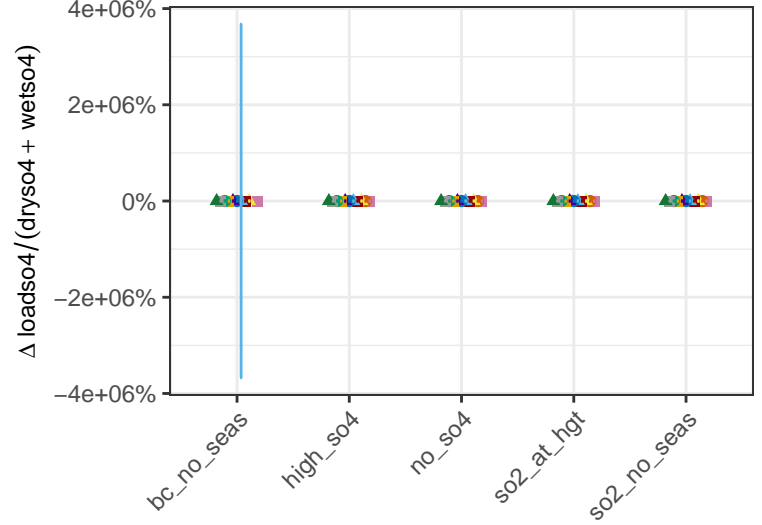

column mass burden of SO₂ – arctic

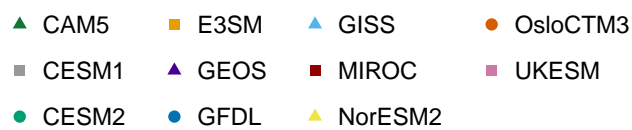

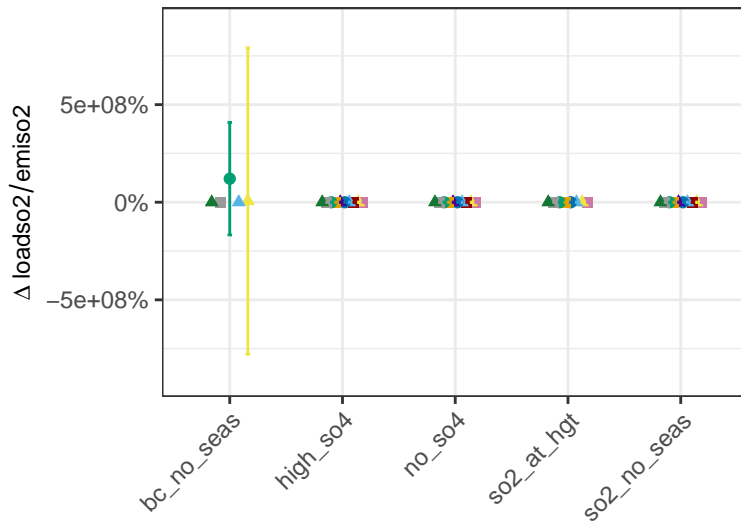

column mass burden of BC – arctic

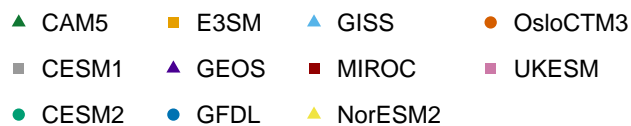

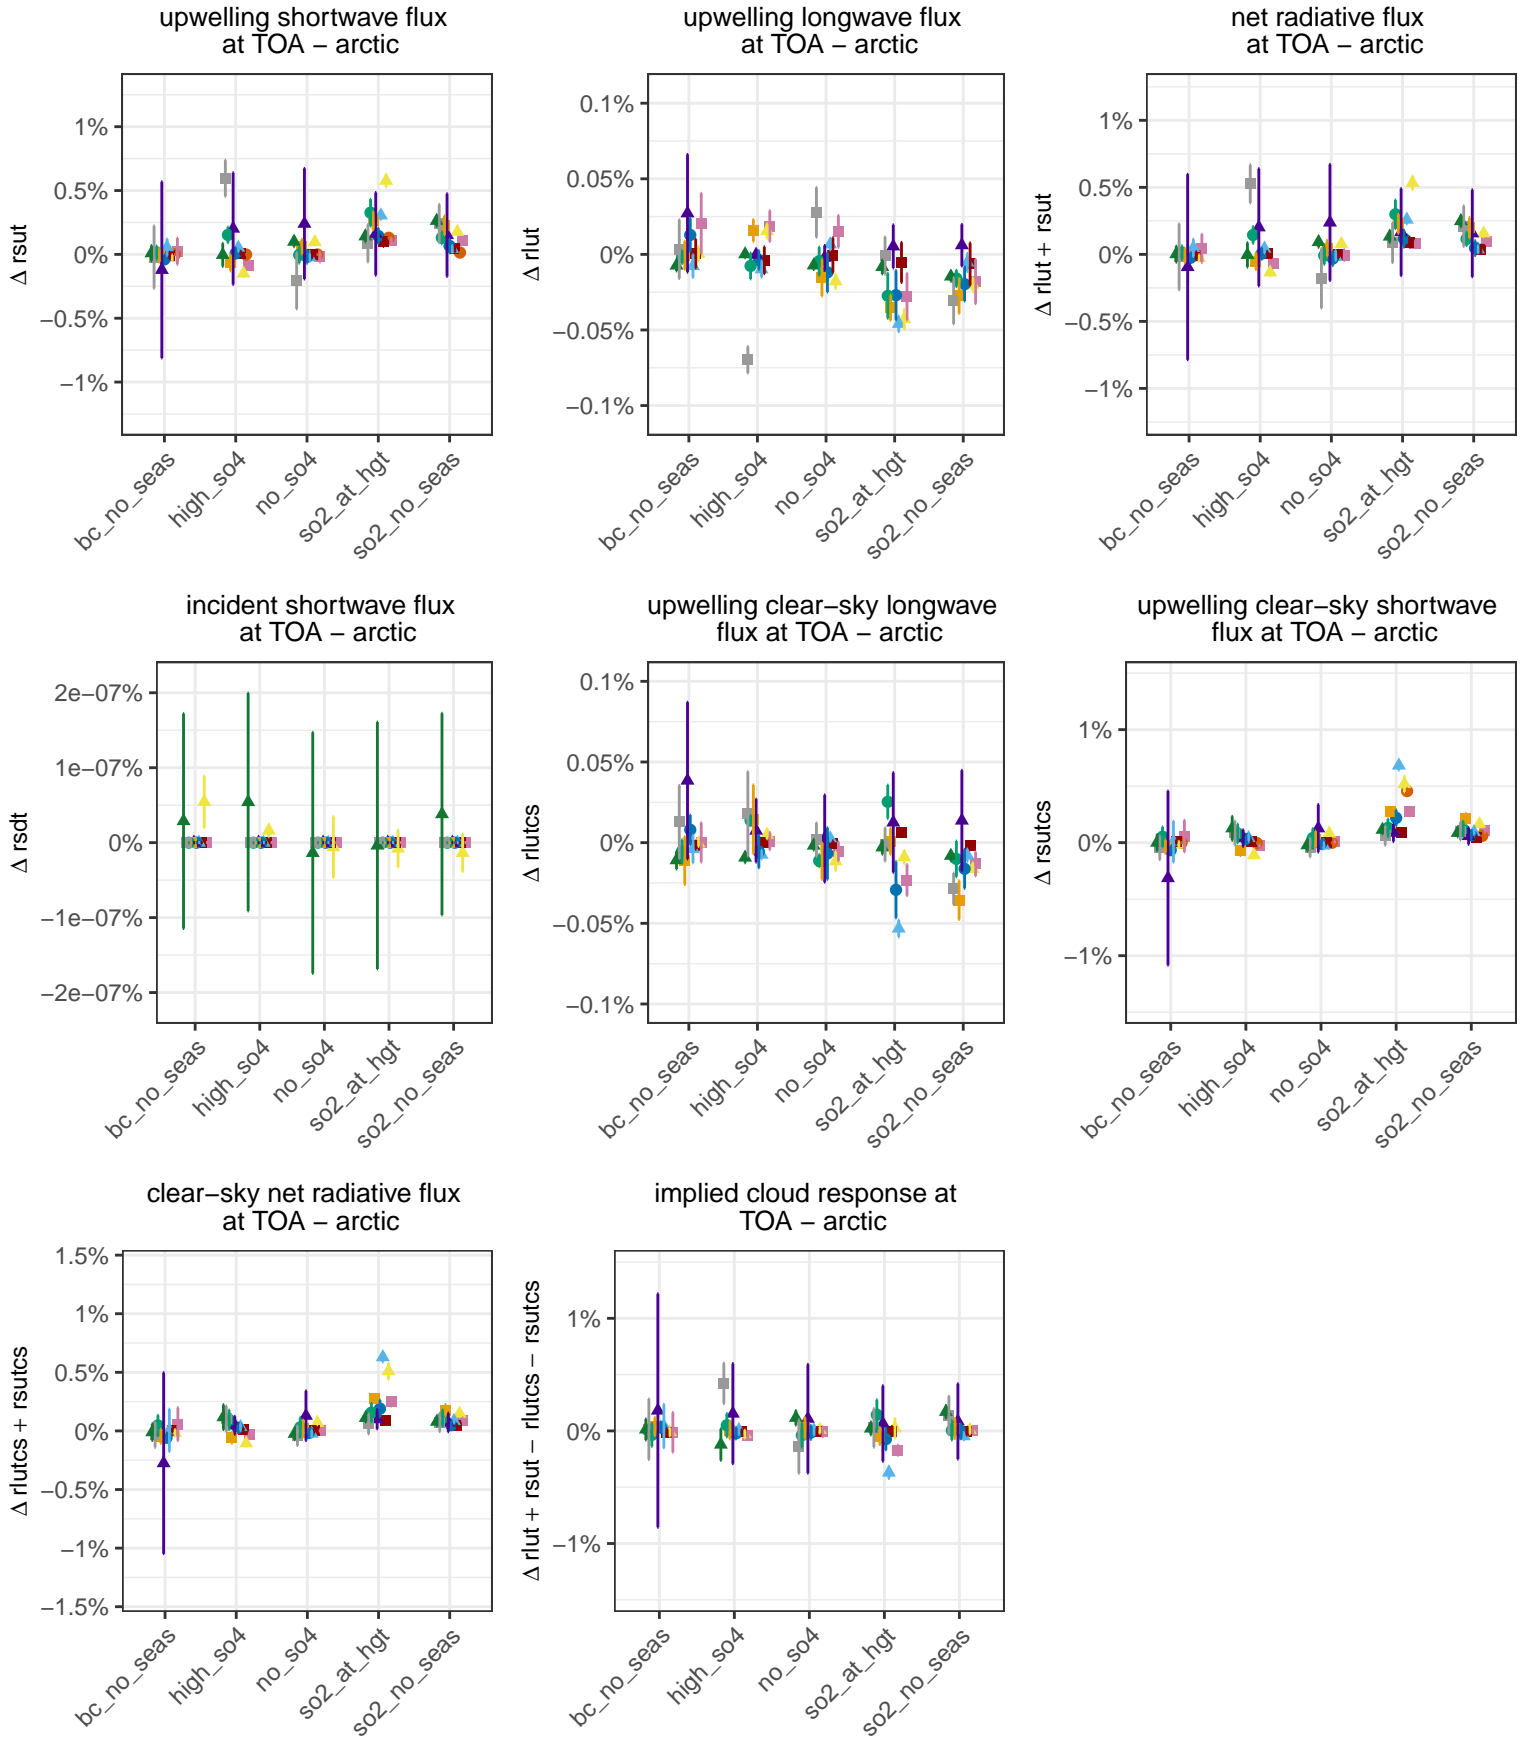

SO₄ lifetime – arctic

SO₂ timescale – arctic

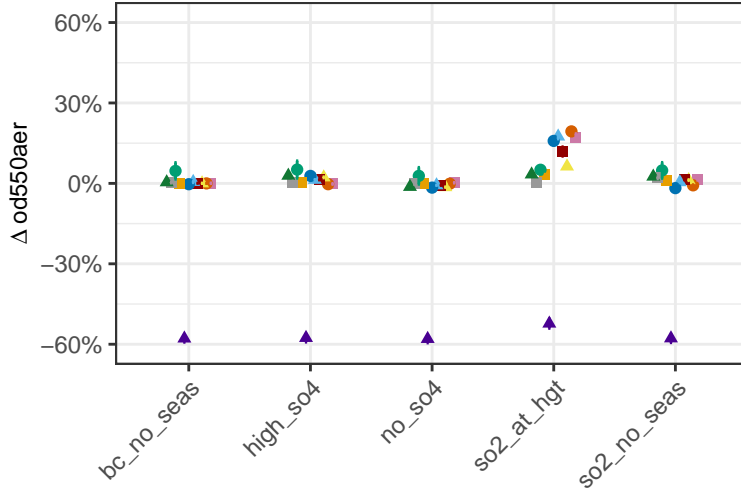

Summary – percent difference

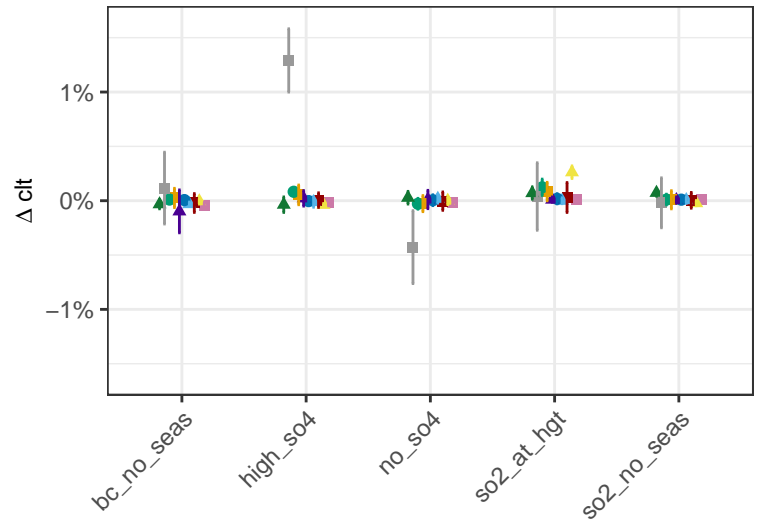

Summary – percent difference

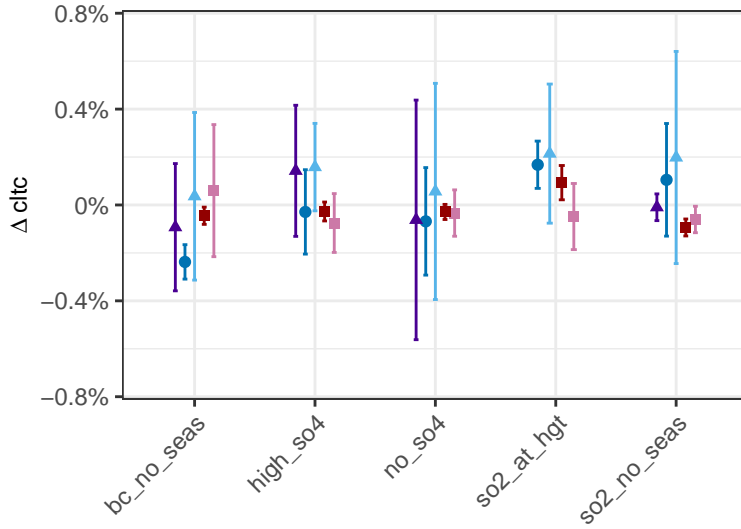

ambient aerosol optical
thickness at 550nm – arctic

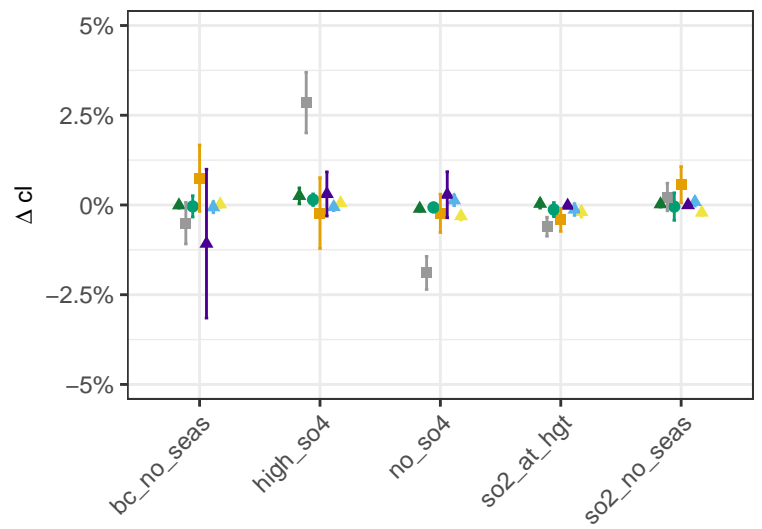

total cloud cover – arctic

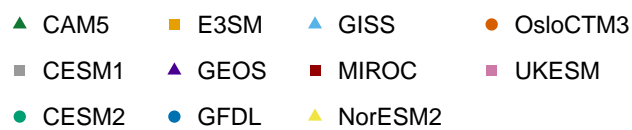

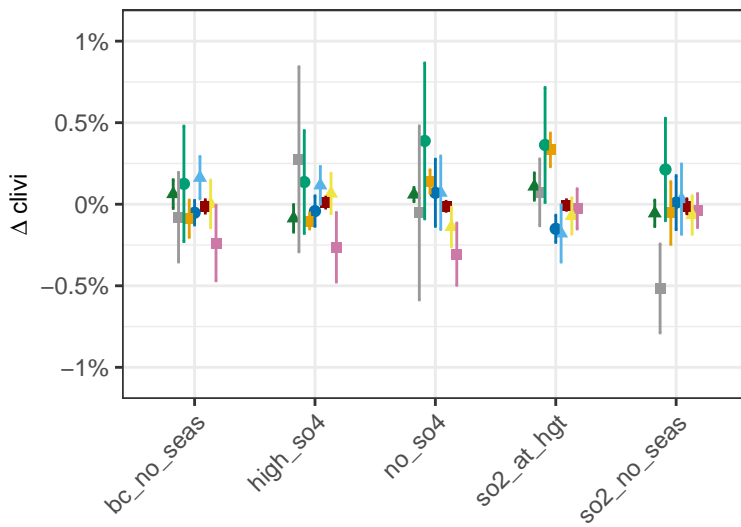

convective cloud cover – arctic

surface cloud cover – arctic

ice water path – arctic

Summary – percent difference
